

[3 seconds][Agent] : Welcome to One Choice. You're speaking with Chris. How can I help you?

[7 seconds][Customer] : Hi there. I just missed a call from you.

[9 seconds][Agent] : Oh, OK. Thank you very much for for calling us back.

[19 seconds][Customer] : Yes.

[12 seconds][Agent] : So it's likely we're calling you to speak with you about some life insurance or something new insurance that you recently inquired about on our website. Yeah. Yeah. So just before I can jump into your profile here, can I just get you to confirm your full name and date of birth please?

[28 seconds][Customer] : Do you want my middle names also or just my first and last?

[32 seconds][Agent] : Umm, so, so whatever you put in the application.

[35 seconds][Customer] : OK.

[34 seconds][Agent] : Umm, yes, yeah.

[36 seconds][Customer] : Yeah. Charla de Deni Tower, 18th of the 12th, 2003.

[40 seconds][Agent] : Thank you, thank you. Umm. Please note all our calls are recorded. Any advice I provide is limited to the products we offer and assisting you to make a decision about whether they are suitable for your needs. We do not consider your personal circumstances. Now, umm, can I also confirm that you are female? New Zealand resident currently residing in New Zealand.

[59 seconds][Customer] : Yes, I am.

[1 minutes][Agent] : Perfect, perfect. OK, so I can see here you put your inquiry umm, just a just an hour or so ago on our website.

[1 minutes 7 seconds][Customer] : Yes.

[1 minutes 8 seconds][Agent] : Umm so do you have some life cover already?

[1 minutes 11 seconds][Customer] : No, I don't.

[1 minutes 10 seconds][Agent] : No, I don't OK perfect, perfect. And what was the reason you decided to look into the life cover recently?

[1 minutes 18 seconds][Customer] : Well, I was actually meant to do it a while ago, but I just. I've

been so busy and haven't had the time to actually do it.

[1 minutes 17 seconds][Agent] : Umm, Well I was actually a while ago, umm, but I just oh OK OK, so then you, you finally have some time to to do it.

[1 minutes 34 seconds][Customer] : Yes.

[1 minutes 35 seconds][Agent] : OK perfect, perfect. OK So what I can do for you then, umm today is we can go through some of the features of the policy they run to that pricing.

[1 minutes 42 seconds][Customer] : OK, OK, cool.

[1 minutes 41 seconds][Agent] : I mean you can let me know how that sounds OK perfect. Now, umm with this life insurance, it's designed to provide financial protection for your loved ones. So a lump sum payment if you were to pass away, and basically it's there to give you the Peace of Mind that if something happened to your family would have that financial security. Now you can nominate up to five beneficiaries to receive the benefit amount that you choose, and they can also request an advance payout of \$10,000 to help with funeral costs or any other final expenses at the time. Now we keep it nice and simple for you as everything is done over the phone with no forms to fill in medical checks or blood tests to complete. We simply just take you through health and lifestyle questions and this will determine the pricing in terms of the policy.

[2 minutes 1 seconds][Customer] : Yeah, OK, cool.

[2 minutes 29 seconds][Agent] : OK, perfect. So now we can get to that pricing for you. The first question is, have you had a cigarette in the last 12 months? Yes, I have.

[2 minutes 40 seconds][Customer] : Yes, I have.

[2 minutes 41 seconds][Agent] : Thank you. And is your current annual income \$50,000 or more?

[2 minutes 48 seconds][Customer] : Oh, I obviously wouldn't have a clue. I wouldn't have a clue.

[2 minutes 52 seconds][Agent] : Sorry, I wouldn't have a clue.

[2 minutes 54 seconds][Customer] : I'm so bad. I'm actually currently on the solo.

[2 minutes 54 seconds][Agent] : I would say that I'm actually currently on the solo parents benefit. OK, So you said solo parents benefit.

[2 minutes 57 seconds][Customer] : Current benefits, yes.

[3 minutes 1 seconds][Agent] : Yes, OK, yeah, so, umm, for that then if you're not too sure, I can just put it down so that it's less than 50,000 and we can just work off that umm, because we would need you to, to know if it's over, umm, but we'll, we'll just put it down for less. And what that determines is just how much cover we can offer you at this stage. So umm, with that, umm answer, the lowest amount of cover we could provide you would be 100,000 and the highest we could look at would be 1,000,000.

[3 minutes 19 seconds][Customer] : OK, OK.

[3 minutes 28 seconds][Agent] : So how much cover would you like me to quote you for?

[3 minutes 32 seconds][Customer] : Can I do the 1,000,000 please?

[3 minutes 33 seconds][Agent] : Yeah, yeah. Look at the 1,000,000 for you. So the 1,000,000, that would be a premium of an indicative amount of \$52.07 per fortnight. OK, OK. Sorry, did you? Oh, that's fine. Perfect, perfect.

[3 minutes 50 seconds][Customer] : Yep.

[3 minutes 50 seconds][Agent] : Now what we'll do is we'll go through some of those questions together now. So just the health and lifestyle questions to see if that price changes at all as well as to see if you are eligible for the cover.

[4 minutes 1 seconds][Customer] : OK, cool.

[4 minutes][Agent] : OK, thank you. Thank you. Now before we get to the questions, can I just grab your home address so I can add that to your profile here please? 47 Grand View Rd.

[4 minutes 8 seconds][Customer] : At 47 Grand View Rd.

[4 minutes 12 seconds][Agent] : North Hamilton.

[4 minutes 11 seconds][Customer] : Norton Hamilton.

[4 minutes 16 seconds][Agent] : So Grand Grandview Rd. as in VIEW.

[4 minutes 19 seconds][Customer] : Yes, yes.

[4 minutes 23 seconds][Agent] : OK, perfect. Perfect. OK. And I've got here, it's in Lee and the post code is 0985.

[4 minutes 31 seconds][Customer] : Oh, sorry, what was that?

[4 minutes 31 seconds][Agent] : I'm sorry, what was that? Umm, I've got either. We got Norton Hamilton. You said Sorry, that's what you said.

[4 minutes 36 seconds][Customer] : Yes.

[4 minutes 37 seconds][Agent] : OK, sorry, I found another one, but that was that was wrong. OK, I found the right one now for you. And umm, is that also where you get your mail sent to?

[4 minutes 47 seconds][Customer] : Yes.

[4 minutes 47 seconds][Agent] : OK thanks. [6 minutes 4 seconds][Customer] : Yes, I did OK.

[6 minutes 11 seconds][Agent] : And the first question is, are you a citizen or permanent resident of New Zealand or Australia? Currently residing in New Zealand.

[6 minutes 19 seconds][Customer] : Yes.

[6 minutes 36 seconds][Customer] : No, yes, I have asthma.

[6 minutes 43 seconds][Agent] : You have asthma. OK, So what that question is asking is lung disorder excluding asthma, sleep apnea or pneumonia.

[6 minutes 43 seconds][Customer] : Oh no.

[6 minutes 50 seconds][Agent] : So, OK, perfect. So I'll answer that as a no, but then later on for a later question, I'll mention the asthma for that one. OK.

[6 minutes 58 seconds][Customer] : OK.

[6 minutes 59 seconds][Agent] : Now next question is cancer or leukaemia excluding skin cancer, anxiety, depression or stress requiring medical treatment or any other mental health disorder. Umm, the question was anxiety, depression or stress requiring medical treatment or any other mental health disorder. Perfect. OK, sorry, sorry if I repeated myself there. And the next question now is in the last 10 years, have you used illegal drugs, abuse prescription medication, or receive treatment or counseling for drug or alcohol consumption?

[7 minutes 4 seconds][Customer] : No, no, no, no, no.

[7 minutes 53 seconds][Agent] : Thank you. The next section is in relation to your height and weight. Please be aware that I'm required to obtain a confidence single figure measurement for each in order to continue with the application. The system does not allow me to enter any approximate figures, words or height and weight ranges. So what is your exact height please? 5 feet 4 inches.

[8 minutes 13 seconds][Customer] : I am 5 foot 4, yes.

[8 minutes 18 seconds][Agent] : Thank you. And what is your exact weight, please? Thank you. Is

that kilograms? Yeah. KJS. Perfect. Thank you. Next question is, have you experienced any unexplained weight loss of more than 5 kilos in the last 12 months?

[8 minutes 22 seconds][Customer] : 85.4 maybe, Yeah, yeah, no.

[8 minutes 39 seconds][Agent] : Thank you. OK next question is regarding your work and I know you said you're on a on a benefit now but I'll have to ask it to you anyway. I'm sorry. Does it work require you to go underground worker heights above 20 meters, dive to depths below 40 meters, use explosives or travel to areas experiencing war or civil unrest, or work offshore? [9 minutes 1 seconds][Customer] : No, no, no, no.

[9 minutes 29 seconds][Agent] : Thank you. OK, so next question is, have you ever had symptoms of, been diagnosed with or treated for, or intend to seek medical advice for any of the following diabetes, Raised blood sugar, impaired glucose tolerance or impaired fasting glucose, Chest pain, high cholesterol or high blood pressure? Tumor, mole or cyst, including skin cancer, sunspots or Melanoma?

[10 minutes][Agent] : Have you ever had an abnormal pap or cervical smear, thyroid condition or neurological symptoms such as dizziness or fainting, disorder of the stomach, bowel, pancreas?

[10 minutes 17 seconds][Customer] : Does that sound for getting my gallbladder removed?

[10 minutes 22 seconds][Agent] : Oh, so you got your gallbladder in this?

[10 minutes 25 seconds][Customer] : Yes, I did.

[10 minutes 25 seconds][Agent] : OK. Yeah. So no, that doesn't count for that. I will ask you later on about the gallbladder removal just to confirm now the was it, was there a reason that it was removed?

[10 minutes 40 seconds][Customer] : Yeah, I had goldstones.

[10 minutes 42 seconds][Agent] : OK, cool stones. OK, OK, thank you. That's OK. So I'm going to put that down in my notes here. But for this question, we don't mention gallbladder removal. That's that's fine. So just for this question again, I'll ask a disorder of the stomach, bowel, or pancreas. Thank you. Hepatitis or any disorder of the liver, Epilepsy, multiple sclerosis, muscular dystrophy, Parkinson's disease or paralysis. Bladder or urinary tract disorder. Umm, kidney disorder, blood disorder or disease.

[11 minutes][Customer] : No, no, no, no, no, no.

[11 minutes 25 seconds][Agent] : Sleep apnea or asthma, excluding childhood asthma.

[11 minutes 31 seconds][Customer] : No.

[11 minutes 32 seconds][Agent] : OK, so you told me before you had asthma, so I'm just going to let you know that. Yeah. So I'll let you know that childhood asthma is diagnosed between the ages of zero to 17, and last symptoms of asthma ceased before age 18. So when do you still have asthma? Right now.

[11 minutes 35 seconds][Customer] : Oh, yes, yeah, I do.

[11 minutes 50 seconds][Agent] : OK.

[11 minutes 51 seconds][Customer] : But it's like it doesn't play up.

[11 minutes 56 seconds][Agent] : OK, that's fine.

[12 minutes 2 seconds][Customer] : Yep.

[11 minutes 57 seconds][Agent] : But if I'm so, umm, what I was is I answered yes because you still do have asked me now and then I'll ask you some further, umm, questions. Umm, So based on your response, please answer yes or no for each of the following, umm, sleep apnea and then asthma. I'll answer that as a yes, umm, for you. And then the next question is, have you required any treatment or used any medication within the last two years?

[12 minutes 11 seconds][Customer] : No, Yeah, yeah, I have. But that was for my gallbladder removal. That was it.

[12 minutes 28 seconds][Agent] : Oh, no, so, so I mean, have you used any treatment or you, sorry, have you required any treatment or use any medication for your asthma within the last two years?

[12 minutes 37 seconds][Customer] : Oh, no, sorry.

[12 minutes 38 seconds][Agent] : OK, that's OK. No, no, umm, so I'll answer that as a knife for you. And umm, that's fine. So what that means is that's also regarding umm, like if you just were to use your path on the last two years, just just as an example.

[12 minutes 54 seconds][Customer] : Actually, no.

[13 minutes 3 seconds][Agent] : So you, you you used your you used your puffer AF before before you had your gallbladder removed. Yeah.

[12 minutes 55 seconds][Customer] : Yes, I have used it just due to like the severe pain I was in before I got my gallbladder removed and I couldn't breathe before I had my gallbladder removed.

[13 minutes 11 seconds][Agent] : Bef before. OK. But was it because you had an asthma situation or was it for something else?

[13 minutes 18 seconds][Customer] : It was, yeah.

[13 minutes 21 seconds][Agent] : Oh, OK, OK.

[13 minutes 19 seconds][Customer] : It was for my asthma because I couldn't breathe because of the pain I was in, yes.

[13 minutes 22 seconds][Agent] : Yeah, OK. No worries. Yeah, thank you for letting me know. I'm just want to make sure I'll note that down. OK. So what I'll do is I'll answer that as a yes for you, but you have used the medication within the last two years. And then the next question is do you only use inhalers AG Ventolin, brinkanol, etcetera?

[13 minutes 51 seconds][Customer] : Yes, I do.

[13 minutes 52 seconds][Agent] : Thank you.

[13 minutes 53 seconds][Customer] : Just I'm gentleman.

[13 minutes 53 seconds][Agent] : And just the Ventolin perfect. And do you require more than one type of inhaler? Thank you. And are your symptoms seasonal or exercise induced only? Yes or no?

[13 minutes 59 seconds][Customer] : No season also yes.

[14 minutes 10 seconds][Agent] : OK, Perfect. Perfect. So it's seasonal only.

[14 minutes 14 seconds][Customer] : Yes.

[14 minutes 15 seconds][Agent] : OK, perfect. All right, So I'll answer that for you and I'll go on to the next question for you, which is other than what you have already told me about in the past three years, have you sought medical advice or treatment by a medical practitioner or specialist while you're awaiting the results of any medical tests slash investigations?

[14 minutes 40 seconds][Customer] : Is that for anything?

[14 minutes 42 seconds][Agent] : Yeah, this is this is for anything, but you've already told me about asthma, so I don't have to put that in. But for anything else for you in the past three years?

[14 minutes 54 seconds][Customer] : Yeah, I got test done for what was it? Oh my God, I've ever gone in hospital.

[15 minutes 8 seconds][Agent] : And that was in the last three years.

[15 minutes 8 seconds][Customer] : I think it was a yeah, this was just at the beginning of the year. It was for a UUTI and STI.

[15 minutes 20 seconds][Agent] : OK, OK. So yeah, test done for UTI and STI beginning of 2024 and tests show that you didn't have anything.

[15 minutes 26 seconds][Customer] : Yeah, yeah, it came back negative.

[15 minutes 32 seconds][Agent] : OK, tests come back. OK, OK. So I'm going to answer yes for that. I'm also going to put a gallbladder in there because that's happened in the last three years as well. Is that is that correct? OK, perfect. So I'm gonna put you on a brief hold and I'll be right back for you. And I just have to make sure I'm putting this in the the application correctly for you. OK? So just be 1 moment.

[15 minutes 46 seconds][Customer] : OK, Yeah, OK, cool.

[16 minutes 1 seconds][Agent] : Thank you. Thank you very much for holding. So for the UTI that you got a test for and it was negative, did you have symptoms of a UTI that's why you went and got tests?

[17 minutes 30 seconds][Customer] : No, they just wanted to test me for it because they thought that I was 'cause I was having real sharp pains in my lower abdomen and like I had a pregnancy test come back positive. But when I went into hospital and they done urine test, it was negative. So they

just wanted to check in case.

[17 minutes 56 seconds][Agent] : OK, so pregnancy test came back positive, but the urinary test came back negative.

[18 minutes][Customer] : Yeah, so they were just confused on why my home test came back positive three times, but when I had when they done a urine test, they came back negative.

[18 minutes 7 seconds][Agent] : But when I had, when they've done a urine test, OK, so it wasn't, it wasn't necessarily to, to test for urinary tract infection. It was just a urine test.

[18 minutes 19 seconds][Customer] : Yeah, yeah.

[18 minutes 18 seconds][Agent] : Yeah, yeah. OK. So they, they didn't did, did they say they were looking for a UTI or they were just looking? They just did a urine test and they just said they would look for umm if it was pregnant, if you were pregnant or not.

[18 minutes 33 seconds][Customer] : And they said they were also going to check just to double check and just make sure I didn't have any UTI's or STI's. They were just going to check as well as doing the urine test here.

[18 minutes 42 seconds][Agent] : OK, OK, that's OK. So what I'll do then is for the for this list I've got here, I'm going to mention the STI check up here even though it came back negative. And I'll say it happens at same time, uh, I'll mention that later that it happened at the same time as they were checking for you, uh, urine test as well for the pregnancy and, and other related situation. Umm, I'll also put here though that you were pregnant. Is that correct?

[19 minutes 29 seconds][Customer] : Yes, I have a one year old daughter now.

[19 minutes 26 seconds][Agent] : You were pregnant in the last three years on your door. OK. And so with the pregnancy, so you said you have sharp pain in your lower abdomen. Umm, when you said your PR pregnancy test came back positive when you're at home, was that right? You actually, you actually were pregnant or was that was that wrong?

[19 minutes 52 seconds][Customer] : They they honestly did not give me an answer.

[19 minutes 49 seconds][Agent] : I just find like a.

[19 minutes 54 seconds][Customer] : I went for scans as well at the hospital and they did find like a

a black spot inside my uterus but they could not see if there was a baby or not in there. They also just said that a baby could have been in there but I had already lost it.

[20 minutes 14 seconds][Agent] : OK.

[20 minutes 14 seconds][Customer] : Yeah, it was, yeah. They didn't give me an accurate answer and that's what kind of annoyed me because I didn't get the answer I was wanting.

[20 minutes 23 seconds][Agent] : Of course I know. I understand that. Yeah. OK.

[20 minutes 33 seconds][Customer] : Yeah.

[20 minutes 29 seconds][Agent] : So you could not see a baby in there and they could not see if there was a baby in there in the past. Yeah. OK. I'm going to put that down on all my notes here to say that they didn't give you an answer. Basically they were just kind of speculating as to what could happen as to what the answer could be.

[20 minutes 57 seconds][Customer] : OK, Yeah.

[20 minutes 58 seconds][Agent] : Is that, is that right there that they were like they were just giving me theories kind of OK, OK. And I'm going to mention the gallbladder thing here as well because that's that's what I usually do anyway. The gallbladder removal, even though it was it was for gallstones, but I just hope I have to put that in here still as well. OK, so for the gold bladder removal, when was that?

[21 minutes 40 seconds][Customer] : It was last year November.

[21 minutes 45 seconds][Agent] : Umm, it was last year November. Yeah, last year November. Thank you. Umm November 2023 and the reason for the consultation, I know you said you had some pain, but was there anything else you the reason why you went to the doctors for your gallbladder? Umm no, I was just in like severe pain.

[22 minutes 12 seconds][Customer] : No, I was just in like severe pain. I couldn't sleep.

[22 minutes 15 seconds][Agent] : Umm I couldn't sleep.

[22 minutes 19 seconds][Customer] : I was, I was living there all night.

[22 minutes 19 seconds][Agent] : I was, I was literally at all night.

[22 minutes 22 seconds][Customer] : I couldn't move or anything.

[22 minutes 22 seconds][Agent] : Umm, I couldn't move or anything.

[22 minutes 24 seconds][Customer] : Like I felt like I was just paralysed to my bed because I could not move.

[22 minutes 24 seconds][Agent] : Like I felt like I was OK. I'll just say it wasn't pain and couldn't sleep and couldn't really move because of the pain. I'll say couldn't really do anything because it was so painful. And did they do like a scan before they realized it was gallstones or what did they do to determine it was gallstones?

[22 minutes 57 seconds][Customer] : Well, I went back twice because of the pain.

[22 minutes 57 seconds][Agent] : Umm, Well, I went back twice because of the pain, OK?

[23 minutes 1 seconds][Customer] : The first time I went, they said to me that it wasn't severe and that it got any worse.

[23 minutes][Agent] : Umm, the first time I went daycare for me that it wasn't severe and uh, it got any worse as it said to go back.

[23 minutes 7 seconds][Customer] : I just had to go back.

[23 minutes 8 seconds][Agent] : Umm, they discharged me from hospital and then I ended up back in hospital a day later. OK.

[23 minutes 10 seconds][Customer] : They discharged me from hospital and then I ended up back in hospital a day later to have surgery.

[23 minutes 18 seconds][Agent] : OK. So the first time they said it wasn't severe but they knew they knew it was gulf stones because they did a test or.

[23 minutes 24 seconds][Customer] : Yes, they done blood test and a scan.

[23 minutes 25 seconds][Agent] : OK OK, and this is the hospital. OK, The hospital did a blood test in the scan and determined that she has gallstone umm, The next day she went in for umm surgery. OK. And is there any further investigation or training plan? If so, when?

[24 minutes 1 seconds][Customer] : What's that?

[24 minutes 3 seconds][Agent] : Is there any further investigation or training plan? If so, when?

[24 minutes 2 seconds][Customer] : Sorry, no.

[24 minutes 9 seconds][Agent] : OK, perfect. And please advise before recovery has been made.

[24 minutes 16 seconds][Customer] : Yes.

[24 minutes 16 seconds][Agent] : OK, perfect. OK, so that's the goal sign situation completed. Now for the UTI, umm, they were checking for that, but they also just checked those. They were just doing a urine test to see if you're pregnant.

[24 minutes 40 seconds][Customer] : Yes.

[24 minutes 33 seconds][Agent] : So it really wasn't to determine if you're, you had a UTI, but they they checked for that while you were, while you were in there, but while they were checking. Yeah. So what was it? I'm gonna just put you on a brief hold. I'm gonna check to see where I put that for you. OK, that'll be 1 moment.

[24 minutes 46 seconds][Customer] : OK, cool.

[24 minutes 47 seconds][Agent] : Thank you. Thank you very much for holding. OK, so for that With regards to going to the doctors for you had three positive tests and then then then they said it was negative.

[27 minutes 25 seconds][Customer] : Yeah.

[27 minutes 16 seconds][Agent] : You mentioned the sharp pains in your lower abdomen with that regarding that same situation, or was that OK?

[27 minutes 26 seconds][Customer] : It was because, you know, I thought I was pregnant and then couple of days later I was in severe pain. And my my sister, she's also gone through miscarriage as well. So she's like, I think you're losing the baby. So she took me to the hospital.

[27 minutes 43 seconds][Agent] : Oh, OK, OK. And so at that point, that was in your positive pregnancy tests, but then they went to the doc, you went to the hospital, and they said they don't know if you ever had one, if you ever had a baby there, Basically, Yeah.

[27 minutes 59 seconds][Customer] : Yeah, yeah, yeah. So they done the urine test. It was negative. They sent me for scans. And the lady who's done the scan, she was like, did they say you weren't pregnant? I was like, yeah, but she was giving me. She was talking to me like there was I was pregnant, but I had already lost baby. Like that's, that's what she was giving off to me. And she,

yeah, she said she was confused herself as to why the doctors would say that.

[28 minutes 21 seconds][Agent] : OK, OK, OK. And umm, just to also you said your sister also had miscarriages. So so I just want to confirm with you, have you had a miscarriage before?

[28 minutes 42 seconds][Customer] : Yes, I lost a baby last year August.

[28 minutes 41 seconds][Agent] : I got umm, a baby last year. OK, OK. I'm, I'm sorry, I'm sorry to hear that. Umm, for you, umm, for, for that, umm, what I'm going to do is, and we have something on our list here, umm, for fertility. And I was gonna put, I was gonna put what you mentioned, umm, for fertility. Umm, so you went to the doctor to check to see if you're pregnant. Umm, regarding you this did you have the sharp pain? But also your pregnancy test was positive. So you would go in and check that Umm, but what I'm what I'm thinking, I'm actually just gonna put everything under the same umbrella, which is your umm, pregnancy test. Umm, your urinary test and then the miscarriage you had actually, I'll put miscarriage under a different thing, but basically I'm going to, I'm going to mention them all here and I'm going to ask you some further questions. OK? So I'm just going to make sure I I've already finished the goal since that's fine. The STI test, I'm just going to quickly go through that for you. That was at the same time as your urinary test. They just happen to check that as well. OK. She was umm, doing a urine test to see if she was, umm, pregnant and they checked for STI's as well. Is that is that correct? OK.

[29 minutes 22 seconds][Customer] : Yes, yes, yes, sorry.

[30 minutes 17 seconds][Agent] : Yeah, thank you. OK, OK. Now for the STI check that you said that was beginning of this year. OK, So I'm just say, would you say it's January 2024?

[30 minutes 38 seconds][Customer] : Yes, yes, yeah, it was in January.

[30 minutes 45 seconds][Agent] : OK, perfect. And I'll just say urine test is the the next question is medical TE please provide details of medical tests. Urine tests came back negative for STI's. Now is any further investigation or treatment plans?

[31 minutes 6 seconds][Customer] : No.

[31 minutes 7 seconds][Agent] : Thank you. Please advise before recovery has been made. OK thank you. Now, umm for umm, I'm going to put actually, sorry, I do have on my list here

miscarriage. My apologies. So I do have a list here for miscarriage. So I'm just going to I'm have to ask you further questions for that. I'm just going to type that down here to say that you had that. And and then now for the now this is the one where it's going to be maybe a bit interesting with your the the UTI one. OK. So I'm going to, I'm going to put you on a brief hold. Sorry again, just to make sure I'm doing this right for you because I have a feeling we don't we might not have to ask you further questions for the UTI and I just want to make sure I'm doing it right for you. OK?

[32 minutes 7 seconds][Customer] : OK.

[32 minutes 7 seconds][Agent] : OK, thank you. Just one moment. OK, thank you very much for holding. So what I'm going to do is I'm going to put fertility here for you and then I'm just going to ask you some questions regarding the abdominal pain that you had.

[33 minutes 39 seconds][Customer] : OK. Yeah, that's fine.

[33 minutes 41 seconds][Agent] : Yeah, so abdominal pain. Describe the reason. Well, I'm just going to write down abdominal pain. And she I would say that you had also taken positive, I mean, you've had positive pregnancy tests, so you thought that you were having a miscarriage, so you decided to go to the hospital.

[34 minutes][Customer] : Yeah.

[34 minutes 5 seconds][Agent] : Positive. OK. And then that was also January 2024. Yeah. Umm, and that I had umm with the beginning of the IT was in March. OK, OK, so March 2024.

[34 minutes 30 seconds][Customer] : So I'm just going through my messages with my midwife and so does the pregnancy that I had was at the beginning of this year, it was in March on the second, yes.

[34 minutes 53 seconds][Agent] : OK, that's OK. Yeah, I'll change for, I'll change it for the other one that we talked about with the STI as well. Umm, we'll say February, February, March 2024 because the messages might have been after or should I just leave it as March? Umm, it was, it was in March the 2nd.

[35 minutes][Customer] : Yes, it was.

[35 minutes 11 seconds][Agent] : Umm, OK, so I'll just put, I'll put, I'll put March 2024. Umm, but you

said it was March 2nd. Is that, is that right?

[35 minutes 11 seconds][Customer] : It was in March the second, Yeah, yes, March the 2nd.

[35 minutes 23 seconds][Agent] : Yeah, so, so yes, so that what I was thinking was maybe they were messaging you March 2nd, but you had gone in at the end of February. Is that is that possible?

[35 minutes 36 seconds][Customer] : I been.

[35 minutes 33 seconds][Agent] : Umm, I went so solicited of me, my midwife for March and then and I ended up in hospital.

[35 minutes 38 seconds][Customer] : So the messages of me of my midwife were March the 2nd and I ended up in hospitals. I'm on the 5th of March.

[35 minutes 45 seconds][Agent] : Umm, on OK, no worries then. Perfect. I'll just put March 2024 for both then. Umm, to say that the STI check was in March 2024 as well, as well as the abdominal pain you had. OK and now, uh, please provide details of medical tests. So you said they did a scan and they said they couldn't really determine anything with that scan. Umm, but the, the urinary tests came back negative and the STI test came back negative. Yeah. OK. Umm, I'm also reading umm through one of my Midwest incidents and could she also got some like 6 done for the hospital. Oh, OK. Umm, and she on the 1st of March, she checked and he said it was a definite early miscarriage.

[36 minutes 16 seconds][Customer] : Yes, yes, I'm also reading through one of my Midwest messages and because she also got some blood tests done prior to me going to the hospital and she's on the 1st of March, she checked and she said it was a definite early miscarriage.

[36 minutes 51 seconds][Agent] : Oh, OK.

[36 minutes 53 seconds][Customer] : Yeah, I'm just reading it.

[36 minutes 53 seconds][Agent] : Yeah, I'm just reading it. That's OK. That's OK. So your midwife said that, but then the doctors at the hospital are saying that they don't know what it was. Yeah, yeah.

[37 minutes 2 seconds][Customer] : Yeah, yeah.

[37 minutes 2 seconds][Agent] : Umm, but yeah, I just got blood test done.

[37 minutes 4 seconds][Customer] : But yeah, I got blood test done. My midwife sent me for blood

test as well.

[37 minutes 5 seconds][Agent] : Umm, my Midwest technical blood test as well. And yeah, I'm seeing her missing something.

[37 minutes 9 seconds][Customer] : And yeah, I'm seeing her message saying it was a definite early miscarriage. Yes.

[37 minutes 11 seconds][Agent] : That was a definite early miscarriage OK, so I'll put that down here then to say had spoken with midwife before going to the hospital and midwife was midwife before going to the hospital and upon seeing results of blood tests she the midwife said that it was definitely an early miscarriage upon. OK, Thank you for for letting me know that and I'll put that down for the other question will be asked about when I mention the scan. I'm also going to say that you spoke with the midwife and so you did the blood test with the midwife and then she told you the result. OK, OK. Now, umm, I'm going to just mention what I've already told you that I'm going to mention for the scan umm, umm, for, for this one. Is any further investigation or treatment plans? If so, when?

[38 minutes 41 seconds][Customer] : No.

[38 minutes 54 seconds][Agent] : OK. And please advise for recovery has been made. OK, thank you. So that's off of that. I'm going to make sure I put everything in my notes within the application so I don't miss anything for you. OK. Yeah, that's, that's fine. Yeah, yeah, that's all fine. OK, perfect. I've done that for you. I've done those 33 situations for you in application. And what, what this means is that when when I asked all these further questions, it means that we're going to refer it for when situations don't fit exactly into the yes or no questions. We, we ask you these follow up questions. And now next question for you is other than what you've already told me about, are you contemplating seeking medical advice for any symptoms you are currently experiencing within the next two weeks? OK. Thank you. To the best of your knowledge, have any of your immediate family, living or deceased, ever been diagnosed with polycystic kidney disease, Huntington's disease, or Familial Adenomatous polyposis? OK. And to the best of your knowledge, have any of your immediate family suffered from cancer, heart condition, stroke or other hereditary disease prior to age 60?

[40 minutes 11 seconds][Customer] : No no, I've recently just lost like 2 grandfathers and one grandmother to cancer but I can't even remember how old they were.

[40 minutes 51 seconds][Agent] : That that's OK. So this questions regarding your mother, father and brother or sister.

[40 minutes 57 seconds][Customer] : No.

[40 minutes 58 seconds][Agent] : OK, OK, thank you. And and so I'm sorry about your grandparents. I'm I'm sorry to to hear that. [41 minutes 29 seconds][Customer] : No.

[41 minutes 30 seconds][Agent] : Thank you. OK, So what I'm gonna do for you, I'm just put you on a brief hold. I'm going to wait for that. Umm, I'll come to to load up for you and umm, I'll also just check to see if I put everything in the application correctly. And I'll just give one moment.

[41 minutes 43 seconds][Customer] : So thank you.

[41 minutes 44 seconds][Agent] : Thank you. Thank you very much for holding. So I apologise. We're going to get back to the asthma question for you. I know it's been a while since we've gone through that together. But when you answered the question, you said yes, that the symptoms were seasonal only. But I just wanted to clarify since you you mentioned you used it when you had the gallbladder pain, the abdominal pain, is that is that correct?

[43 minutes 52 seconds][Customer] : That's fine, yes.

[44 minutes 8 seconds][Agent] : Yeah. So for this question then since you used it in a situation other than seasonal or exercise induced reasons, what we would do is we're going to answer that as a no because it's not seasonal only. OK. And then it's just one follow up question for you, which I'll answer for you, which is have you been admitted to a hospital in the last 12 months? And this is in relation to the asthma. OK, Perfect. OK, that's all, that's all answered for you. Thank you. I'm going
