[1 minutes 57 seconds][Customer] : Yep, that's for my wife.

[2 minutes][Agent] : Oh, beautiful. Thank you very much for letting me know. And so you're looking for cover for your wife as well?

[2 minutes 12 seconds][Customer] : Yeah, well, it probably is. Yeah, it's it's it's for her as well. But yeah, it's the I just want to find out what mine is and if, if, if it sounds more reasonable, then she she will move over as well and and we'll be quick down.

[2 minutes 28 seconds][Agent] : OK, look, no problems at all. So as far as applying for our cover, it's really simple. It's all done over the phone. There's no need for any medical checks or blood tests. You don't need. What we what we do is we simply take it through some health and lifestyle questions over the phone and that will determine the final price in terms of the policy for you. OK, now let's look at that pricing. Leon, have you had a cigarette in the last 12 months? Excellent to hear. And you're able to choose from \$100,000 up to \$750,000, but it's 500 you were looking at.

[2 minutes 56 seconds][Customer] : No, yes, correct.

[3 minutes 7 seconds][Agent] : Yep. Alright, Now for \$500,000 a cover, that is a fortnightly premium of \$120.90 a fortnight. How does that one sound for yourself there?

[3 minutes 20 seconds][Customer] : Yeah, I know. It sounds OK. If it's so it's so it's I'm looking to any fortnight, eh?

[3 minutes 25 seconds][Agent] : That's correct. Yes, 120 and 90 cents.

[3 minutes 27 seconds][Customer] : Yep, Yep, Yep.

[3 minutes 28 seconds][Agent] : Yeah. All right. Now what I'll do is I'll take you through the health and livestock questions I mentioned. That way we can make sure that pricing is accurate and I can tell you how else it covers there for yourself as well As for your life. Now what I'm going to do is read

through a pre underwriting disclosure and that outlines our responsibility to you in the collection and use of your personal information as well as your responsibility to us in providing yes to our questions. And it says please be aware all calls are recorded for quality and monitoring purposes. We collect your personal information to provide insurance quotes, issue cover and other related services. We will share this with your insurer and may share it with other service providers for the purpose of administering your policy handling claims. Our privacy policy tells you more, including how to access and correct your information and lodge complaints about breaches of privacy.

[4 minutes 28 seconds][Customer] : Mm hmm.

[4 minutes 25 seconds][Agent] : I also need to inform you about your duty of disclosure before you enter into a life insurance contract. You have a leak which you need to provide to us any information you know or could reasonably be expected to know, which may affect our decision to ensure you and on what terms. You do not need to tell us things that we already know or should know as an insurer or which reduces risk. We insure you have this duty until the time we enter into the contract. If you fail to disclose a matter or you make a false statement and ask about questions, we may be able to decline a claim, imposed new conditions on your policy or avoid your policy entirely. Do you understand this yes or no?

[5 minutes 5 seconds][Customer] : Yes, Yes I do.

[5 minutes 7 seconds][Agent] : Excellent. So let's bring those questions up now. They are mainly yes or no answers. I do need a clear yes or no response. So the first one you're asks, are you a citizen or permanent resident in New Zealand or Australia residing New Zealand yes or no?

[5 minutes 24 seconds][Customer] : Yes. No. No.

[5 minutes 25 seconds][Agent] : Have you ever had symptoms of being diagnosed with or treated for and tenders sake medical advice and in the following stroke or heart conditions such as but not limited to heart murmur, heart attack and angina, lung disorder excluding asthma, sleep apnea or pneumonia.

[5 minutes 45 seconds][Customer] : Yes.

[5 minutes 47 seconds][Agent] : OK. And so in the last five years have you been admitted to hospital

as an inpatient because of a lung disorder? And do you have emphysema or chronic obstructive pulmonary disease?

[5 minutes 55 seconds][Customer] : No, No.

[6 minutes 4 seconds][Agent] : OK umm, So what is the name of the conditional symptom? Nature of symptoms?

[6 minutes 10 seconds][Customer] : I had asthma when I was a child.

[6 minutes 13 seconds][Agent] : Oh, OK, right. So with this original question, it was asking lung disorder excluding asthma, sleep apnea or pneumonia.

[6 minutes 20 seconds][Customer] : Or was it excluding asthma? Sorry, sorry.

[6 minutes 22 seconds][Agent] : Yes, no, that's all right. So, OK, so outside the asthma as a child, umm, is there a lung disorder excluding the asthma, sleep apnea or pneumonia?

[6 minutes 32 seconds][Customer] : No. Sorry, sorry.

[6 minutes 33 seconds][Agent] : OK, All right, so we'll go back and change that to no, you're not the no, no, no, no problems at all. You're not the only one that does that. All right, so cancer or leukemia excluding skin cancer, kidney disorder, hepatitis or any disorder of the liver. Anxiety, depression or stress requiring sorry, start that again. Anxiety, depression or stress requiring medical treatment or any other mental health disorder. Have you been diagnosed with or currently undergoing testing for? Is doctor advised to be tested for motion neuron disease or any form of dementia including Alzheimer's disease?

[6 minutes 45 seconds][Customer] : No, no, no, no, no.

[7 minutes 19 seconds][Agent] : Great. The next section is in relation to your height and weight. Please be aware that I am required to obtain a confident single figure measurement for each in order to continue with the application. The system does not allow me to enter approximate figures, words or height and weight ranges. So what is your exact height there please? And that's in centimeters. Yep, excellent. And what is your exact weight? And that's in kilograms.

[7 minutes 38 seconds][Customer] : 175, Yeah, yeah, yeah, it's, yeah, it's in 95 kilograms.

[7 minutes 51 seconds][Agent] : Yep.

[7 minutes 51 seconds][Customer] : Yes, yeah.

[7 minutes 52 seconds][Agent] : And have you experienced any unexplained weight loss of more than 5 kilos in the last 12 months? That's great to see. All right, So does your work require you to get underground? Work at heights above 20 meters, dive to depth below 40 meters, use explosives or travel to areas experiencing war or civil unrest, or work offshore to the best of your knowledge. Are you infected with or are you in a high risk category for contracting HIV which causes AIDS?

[8 minutes 15 seconds][Customer] : No, no, no, not at all.

[8 minutes 28 seconds][Agent] : Excellent. And do you have definite plans to travel or reside outside of New Zealand that is booked or will be booking travel within the next 12 months? No. OK. All right. So the car is actually worldwide 24/7. So even if you are traveling in the future, you've got the Peace of Mind and now the car will be in place.

[8 minutes 49 seconds][Customer] : OK, let's get this.

[8 minutes 49 seconds][Agent] : OK, No problems. That just out of curiosity, not to do with the questions, but is that a South African accent I can hear?

[8 minutes 58 seconds][Customer] : Yes, correct.

[9 minutes][Agent] : I thought so. I absolutely love the accent. It's. Yeah, it's great. All right, OK, let's get back to the questions now that I've been quite inquisitive. Do you have existing life insurance policies with other life insurance companies with a combined total sum assured of more than \$5 million?

[9 minutes 21 seconds][Customer] : No, no, no, not more than 5 millionaire.

[9 minutes 27 seconds][Agent] : No. OK, so just with regards to the one that you do have in place, we do recommend that if you're looking to cancel an existing cover that you don't cancel until you review our policy in full. There can be differences and we just want you to make sure that you've got, umm, you know that that confidence in our cover there.

[9 minutes 43 seconds][Customer] : Yeah.

[9 minutes 44 seconds][Agent] : All right. OK, so moving on to more medical history questions.

[9 minutes 44 seconds][Customer] : No, no medical, but I was tested for it, yes, yeah. So for

diabetes, they said that I need to actually look at cutting down on sugars and physic drinks and all those kind of things. It was on a, on a, on a, an age. But it's not, yeah, I've, I'm, I'm not pretty for it.

[9 minutes 49 seconds][Agent] : So again, have you ever had symptoms of being diagnosed with or treated for and tend to seek medical advice any of the following diabetes, raised blood sugar, impaired glucose tolerance or impaired fasting glucose OK, so so all your tests have come back as normal with anything the normal range OK.

[10 minutes 30 seconds][Customer] : I, I don't think you do it.

[10 minutes 37 seconds][Agent] : Uh huh.

[10 minutes 31 seconds][Customer] : It's just that they want me if I'm, I'm gonna keep because I love chocolate and I love so you drinks.

[10 minutes 37 seconds][Agent] : Yep, Yep.

[10 minutes 40 seconds][Customer] : And the doctor said to me, my, it's on the limit and I need to actually just manage, manage drinking Philippines and eating sugars and chocolate and stuff. So it's sweet stuff. Yeah. OK.

[10 minutes 49 seconds][Agent] : OK, alright, so so it was still within normal range.

[10 minutes 56 seconds][Customer] : Yes, Correct.

[10 minutes 54 seconds][Agent] : They just wanted you to Curb Your eating habits and drinking habits.

[11 minutes][Customer] : Yes.

[11 minutes][Agent] : OK All right so OK, so genetically yes or no is to diabetes raise blood sugar, impaired glucose tolerance or impaired fasting glucose.

[11 minutes 11 seconds][Customer] : Yeah.

[11 minutes 12 seconds][Agent] : Nope.

[11 minutes 12 seconds][Customer] : No, no, it's my. I'm not thinking for any of this.

[11 minutes 15 seconds][Agent] : OK, no problem. So yeah. So it's just it's not just about being treated, but it's it's have you can be treated with otherwise rather the medication.

[11 minutes 27 seconds][Customer] : Yeah, yes, correct. Yes, correct.

[11 minutes 26 seconds][Agent] : OK, but yes, so just to confirm, the doctor said that you're you're still within the normal range, but if you don't want to get it in the future, OK, All right, no problem. So chest pain, high cholesterol or high blood pressure.

[11 minutes 35 seconds][Customer] : Yes, no high blood pressure, yes not, but not treated for.

[11 minutes 50 seconds][Agent] : All right.

[11 minutes 46 seconds][Customer] : I do get sometimes a little bit high blood pressure or I did before and and yes, but I'm not treated for it. It's just because of space. Space.

[12 minutes 1 seconds][Agent] : Yep. OK, all right. So because it asks have you ever had symptoms of and it's not asking about the treatment of, we will answer yes to that one.

[12 minutes 8 seconds][Customer] : Yeah, Yes.

[12 minutes 10 seconds][Agent] : And based on your response, please answer yes or no for each of the following. So chest pain yes or no and high cholesterol yes or no.

[12 minutes 16 seconds][Customer] : No, No.

[12 minutes 23 seconds][Agent] : High blood pressure, yes or no?

[12 minutes 25 seconds][Customer] : Yes.

[12 minutes 26 seconds][Agent] : OK. And is your high blood pressure caused by heart disease or kidney disease? Yes or no?

[12 minutes 32 seconds][Customer] : No.

[12 minutes 34 seconds][Agent] : Have you been prescribed medication to treat this condition? Yes or no? And have you had your blood pressure checked in the past six months by your GP?

[12 minutes 38 seconds][Customer] : No, Yes.

[12 minutes 46 seconds][Agent] : And were you told by your doctor that your blood pressure has returned to within normal range the last time you had it checked?

[12 minutes 53 seconds][Customer] : Yes.

[12 minutes 54 seconds][Agent] : Excellent. All right, so the next question here asks tumor, mole or cyst, including skin cancer, sunspots or Melanoma.

[13 minutes 4 seconds][Customer] : No, no, no, no.

[13 minutes 6 seconds][Agent] : Have you ever had an abnormal PSA test or large prostate, thyroid condition or neurological symptoms such as dizziness or fainting, disorder of the stomach, bowel or pancreas, epilepsy, multiple sclerosis, muscular dystrophy, Parkinson's disease or paralysis, and any illegal drug use, abuse or prescription medication or receive medical advice or counseling for alcohol consumption, bladder or urinary tract disorder, blood disorder or disease, and sleep apnea or asthma, excluding childhood asthma.

[13 minutes 30 seconds][Customer] : No, no, no, no, no, no.

[13 minutes 56 seconds][Agent] : Excellent. All right, So I don't know what you've already told me about. In the past three years, have you sought medical advice or treated by a medical practitioner specialist or are you waiting the results of any medical test investigations, for example, undergone any surgery, had medical test investigations, for example X-rays scans, blood tests or biopsy or awaiting the results? OK. So is, Yeah.

[14 minutes 22 seconds][Customer] : N no well, I go every year I go to the medical for a medical just to just to make sure the the body is still functioning right.

[14 minutes 36 seconds][Agent] : Yep, Yep.

[14 minutes 34 seconds][Customer] : But then other than that, no, just every year I just go and make appointments and do a check on the body.

[14 minutes 44 seconds][Agent] : Yes.

[14 minutes 41 seconds][Customer] : You know, that I'm, I'm my age and I think it's just safe to do that. So yeah, umm.

[14 minutes 46 seconds][Agent] : I'm just saying completely Yep. So it's just an annual check out where the results were normal. So with the with so annual check out where they would know presenting symptoms and results came back normal.

[14 minutes 46 seconds][Customer] : But yeah, yeah, yeah, Yep. That's it.

[15 minutes 1 seconds][Agent] : Yep.

[15 minutes 1 seconds][Customer] : You can actually, I can provide needle information. The doctors don't see me. They don't see me when.

[15 minutes 8 seconds][Agent] : All right, look, that's no problems. That's on our pre approval. So that's all good. And I don't know what you've already told me about. Are you contemplating seeking medical advice? Any symptoms you're currently experiencing within the next two weeks?

[15 minutes 21 seconds][Customer] : No.

[15 minutes 23 seconds][Agent] : No. All right. Now the next two questions are with regards to family history. Now, that's your immediate biological family, so it'll be your parents and siblings only. So to the best of your knowledge, have any of your immediate family, living or deceased, ever been diagnosed with polycystic kidney disease, Huntington's disease, or familial adenomatous polyposis? And to the best of your knowledge, have any of your immediate family suffered from cancer, heart conditions, stroke, or other major disease prior to age 60?

[16 minutes][Customer] : No, no, that's my pen. It's still alive.

[16 minutes 3 seconds][Agent] : Uh, beautiful, excellent. All right. Now that brings us to the last question. So other than one off events, for example gifts to figures or vouchers, do you engage in or intend to engage in any of the following aviation other than as a fare paying passenger on a recognized airline, motor racing, parachute parachuting, mountaineering, AB sailing, scuba diving deeper than 40 meters, cable wreck diving or any other hazardous activity? No, I would not do them in myself either. I am definitely not that adventurous.

[16 minutes 22 seconds][Customer] : No, no, no, no, I'm not dead. I'm not dead. No, that's it's I'm I'm staying in The Walking place to swim, scuba diving this places to golf as winter now.

[16 minutes 42 seconds][Agent] : No, no, yeah, yeah, yeah. Look, I'm scared of heights and shocks, so there's no way you're going to get me to do most of those things.

[16 minutes 56 seconds][Customer] : Yeah.

[16 minutes 56 seconds][Agent] : So, yeah. All right. Now, Leon, congratulations. Your application has been fully approved with no additional exclusions or loading. So for the \$500,000, it's remained in a fortnightly premium of \$120.90 a fortnight. Now our policy will cover you immediately for death due to any cause except suicide in the 1st 13 months. And also in addition, there is a living benefit. So there is a terminally ill advanced payment. And while this is something that we hope is never

actually needed, it does mean that if you were diagnosed with 12 months or less to live by a medical practitioner, we're actually able to pay that claim to you in full while you are still living. So that way if something like that was to happen, you would have that financial support there. OK, Now don't forget it allows your wife to request the events payout of \$10,000 to help with the funeral expenses as well. OK. Now please be aware that your premium is skipped, which means that we generally increase each year. And in addition, this policy has automatic indexation, which means each year your benefit amount will increase by 5% with associated increases in premium. Now at the end of the day, it's your cover, so you can opt out of this indexation each year. It's something we'll offer you on an annual basis. So you do have that control of flexibility there.

[17 minutes 48 seconds][Customer] : Yep, Yep, Yep, Yep.

[18 minutes 23 seconds][Agent] : Alright, So what we'll do is we'll get you covered immediately over the phone today. I'll send you out all the policy documents you to review via e-mail today as well as via post. You don't need to make any payments today. We'll set up the date in the future and the policy gives you a 30 day free look. So that if you decide the policy is not suitable for you and choose to cancel within 30 days, you'll receive a full refund if your premium on the claim has been made. That way it gives you a chance to sit down with both policy documents, read them side by side and make sure you're happy with ours.

[19 minutes][Customer] : OK.

[18 minutes 59 seconds][Agent] : OK, now what we do is we'll enter your preferred method of payment and what day you'd like those payments to come out. As I said, we'll do set that for date in the for in the future for you. I'll e-mail the documents today to lvdmdouble1119@gmail.com and. Yeah, and send them out through the post as well. So what's your address there, please, Leon?

[19 minutes 20 seconds][Customer] : This one, it's 95 Weatherly. Alright.

[19 minutes 32 seconds][Agent] : Yeah. And it's 0630.

[19 minutes 32 seconds][Customer] : And Torbay, that's correct, yes.

[19 minutes 37 seconds][Agent] : Excellent. Let me get that one in. And that is also your postal address. Yeah. Beautiful. Now as far as when the payments come out, when would be best suited

for yourself early on?

[19 minutes 43 seconds][Customer] : That's correct.

[19 minutes 54 seconds][Agent] : OK, So you prefer a monthly premium, do you?

[19 minutes 52 seconds][Customer] : The 15th of every month, Yeah, yes, please.

[19 minutes 58 seconds][Agent] : Yeah. All right, let me go and change that to a monthly figure. Won't be 1 moment.

[20 minutes 4 seconds][Customer] : What do I pay now? Everything It's it's 12 months. If I could see government for 12 months and.

[20 minutes 22 seconds][Agent] : All right. So the monthly premium is \$261.95 per month. OK.

[20 minutes 20 seconds][Customer] : Yeah, what what's this order?

[20 minutes 33 seconds][Agent] : Yeah.

[20 minutes 33 seconds][Customer] : What's my net?

[20 minutes 43 seconds][Agent] : Yep. Oh, OK.

[20 minutes 36 seconds][Customer] : Yeah, you see it is much cheaper what I find now, because I'm currently covered for the same for 500,000 for and then obviously the that little cover the for serious illnesses, the if something happened to me and umm, umm, yeah, for for -361 now at the moment, umm yeah, so it is it is cheaper.

[20 minutes 56 seconds][Agent] : Yeah, Yep, certainly. So, yeah. So that, that's with ours. It's the life insurance, the terminally ill advanced payment and the fee, not advanced payout for you. Yeah. All right.

[21 minutes 8 seconds][Customer] : Yeah, yeah, yeah.

[21 minutes 10 seconds][Agent] : Now, would you like that coming out of a bank account or a Visa MasterCard?

[21 minutes 15 seconds][Customer] : Where does it go off now? My bank on the bank account, yes.

[21 minutes 19 seconds][Agent] : Yep. So all right, I'll get that account number from you would do a verbal authority over the phone and send out a confirmation for your records as well. So, Leon, umm, when you're ready, what's the account number for you there?

[21 minutes 36 seconds][Customer] : My wife will just open up the bank account now and because I've got under you my phone. So then yes, she just don't need to.

[21 minutes 39 seconds][Agent] : All right, so I'm yeah, sure. So I've got that first payment scheduled for the 15th of August and then each month on the 15th for you after that. OK.

[21 minutes 49 seconds][Customer] : Yes, that's correct.

[21 minutes 52 seconds][Agent] : Yep. Yep, Yep, Yep, Yep. Beautiful. And that's in your name, Leon.

[21 minutes 51 seconds][Customer] : Yeah, 06 03/09 0053370 00, Yes. Correct.

[22 minutes 27 seconds][Agent] : Excellent. Now, I'll confirm you have authority to operate this bank account online and do not need to jointly authorize debits, is that correct?

[22 minutes 37 seconds][Customer] : Say again.

[22 minutes 38 seconds][Agent] : Sorry.

[22 minutes 38 seconds][Customer] : Sorry.

[22 minutes 38 seconds][Agent] : You have authority to operate this bank account online and do not need to jointly authorize debits, is that correct?

[22 minutes 45 seconds][Customer] : Yeah. No, no, no, that's fine. Yeah, that's fine.

[22 minutes 48 seconds][Agent] : Yeah.

[22 minutes 47 seconds][Customer] : Yeah, sorry.

[22 minutes 48 seconds][Agent] : And you are happy to set up a direct debit authority without signing a form?

[22 minutes 54 seconds][Customer] : Yes, I'm happy.

[22 minutes 55 seconds][Agent] : Yeah. OK. So as I said, I'll send out a confirmation for your records as well. [23 minutes 44 seconds][Agent] : So we know who you want that paid out to.

[23 minutes 48 seconds][Customer] : Yeah.

[23 minutes 47 seconds][Agent] : All right, now the final.

[23 minutes 49 seconds][Customer] : So my my wife said she she's sitting here with me with hers as well.

[30 minutes 18 seconds][Agent] : Yeah, I mean, three of them are mine, but I do definitely feel your pain.

[30 minutes 22 seconds][Customer] : Yeah.

[30 minutes 22 seconds][Agent] : Umm, having seven adults, because there was, uh, what was it, 3 boys and two girls? Umm, all between 22 and 18. I can definitely feel your pain. My daughter's just broken up with her partner of three years. So, umm, there's my one in my mouth disappeared and I can already see the difference.

[30 minutes 45 seconds][Customer] : Oh, yeah, absolutely. It's like my my husband goes to the other night like Jeanette. I could way we we clean the kitchen after dinner and I walk into the kitchen.

[31 minutes 17 seconds][Agent] : Yes. Oh, look, if your house is anything like mine, I've had to buy more forks. I can never keep track of forks in my house.

[31 minutes 17 seconds][Customer] : Definitely, yes.

[31 minutes 26 seconds][Agent] : So yeah, Yep.

[31 minutes 27 seconds][Customer] : I don't think because mine take the Cup noodles to school and then they take a fork every morning.

[31 minutes 32 seconds][Agent] : And then just started it in or in the bottom of the bags.

[31 minutes 34 seconds][Customer] : Yeah, it's like 2.

[32 minutes 12 seconds][Agent] : OK, so Janette, is that JA NE double T?

[32 minutes 16 seconds][Customer] : It's JJ. No, it's Jeanette.

[32 minutes 22 seconds][Agent] : Ah, beautiful. All right, Jeanette. And you want me to know my name? Sorry. OK, so MARG, beautiful. OK.

[32 minutes 27 seconds][Customer] : Marguerite GUERITE, RWE.

[32 minutes 39 seconds][Agent] : And so it's then VANGERME RWEI was just trying to work out where the West was in it.

[32 minutes 54 seconds][Customer] : You you won't, you won't believe this. So back in South Africa had a really English surname because that's from from York. And so my maiden name's Skelton.

[33 minutes 1 seconds][Agent] : Yep, Oh Yep.

[33 minutes 4 seconds][Customer] : So I grew up in a really Afrikaans part of South Africa where nobody could pronounce my surname because it was so English. So I married a real South African guy with a South African surname, and then I moved to an English country. When I can't pronounce my surname again, it's like, Oh no, I can't work, can I?

[33 minutes 25 seconds][Agent] : Oh, fantastic. All right. And so what's your phone number? Yep. Yep, Yep.

[33 minutes 33 seconds][Customer] : It's zero to 1, zero to 866, 707.

[33 minutes 43 seconds][Agent] : Excellent. And your date of birth? Yep.

[33 minutes 46 seconds][Customer] : It's the 23rd of the 11th, 1978.

[33 minutes 52 seconds][Agent] : You're younger than me. So yes.

[33 minutes 55 seconds][Customer] : You won't believe it. Me and Leon are exactly 10 years. And what is it? Four days apart.

[34 minutes 1 seconds][Agent] : Oh, wow.

[34 minutes 1 seconds][Customer] : So he's the 19th of the 11th, 68 on the 23rd, 11th. Yeah.

[34 minutes 3 seconds][Agent] : Yeah, yeah. Wow. And confirming you are a female New Zealand resident, currently reside in New Zealand.

[34 minutes 14 seconds][Customer] : That's right.

[34 minutes 14 seconds][Agent] : Yes, certainly. So, yeah.

[34 minutes 21 seconds][Customer] : Is ah, OK?

[34 minutes 17 seconds][Agent] : Look, I'm actually the 15th of February 76 is when, Yeah.

[34 minutes 25 seconds][Customer] : Yeah, he is.

[34 minutes 22 seconds][Agent] : So yeah, I'm a bit, a bit older than you all right now. All right.

[34 minutes 34 seconds][Customer] : Yes, Yes, I did.

[34 minutes 30 seconds][Agent] : So did you hear everything that I went through with you on you did, OK.

[34 minutes 36 seconds][Customer] : Yep.

[34 minutes 36 seconds][Agent] : Any questions that you have with regards to it?

[34 minutes 40 seconds][Customer] : No, no.

[34 minutes 41 seconds][Agent] : No.

[34 minutes 41 seconds][Customer] : I just think that I might not need as much cover. It's what he probably does.

[34 minutes 48 seconds][Agent] : OK. Sure. Yeah.

[34 minutes 50 seconds][Customer] : So I I don't know how much it'll affect the the premium at the end of the day or if he just keeps it fine.

[34 minutes 59 seconds][Agent] : All right. So look, I'll let you know that your premium is highly likely to be listening on to start off with with the age difference and being female. OK, so let's have a look at that first. But can I have you got an e-mail address?

[35 minutes 7 seconds][Customer] : Yeah, yes. So it is basically the first letters of my name.

[35 minutes 14 seconds][Agent] : Yep, Yep, Yep.

[35 minutes 17 seconds][Customer] : So it's JMVDM 78@gmail.com.

[35 minutes 21 seconds][Agent] : The okallright@gmailwasityepok.com. Oh, that's nice and easy.

[35 minutes 27 seconds][Customer] : Yes, Yep, yeah.

[35 minutes 31 seconds][Agent] : All right, so jmvdm@gmail.com. Beautiful. All right, so let's have a look at the pricing for yourself there. Now, have you had a cigarette in the last 12 months?

[35 minutes 44 seconds][Customer] : Not a cigarette.

[35 minutes 45 seconds][Agent] : No. Excellent. And is your current annual income at \$50,000 or more?

[35 minutes 45 seconds][Customer] : No, I'm unemployed at the moment.

[35 minutes 54 seconds][Agent] : That's OK, no problems at all. So what that means is you can choose from \$100,000 all the way up to \$1,000,000 of life cover. And so if we do look at the, umm, \$500,000 for you, that would be a fortnightly premium. Or sorry, let me switch over to monthly. OK? That would be a monthly premium of \$81.33 a month.

[36 minutes 24 seconds][Customer] : Yeah. That's actually really, really Well, yeah. Let's let's, yeah, let's do it at 500.

[36 minutes 26 seconds][Agent] : Yeah, all right, no problem.

[36 minutes 35 seconds][Customer] : Yeah.

[36 minutes 31 seconds][Agent] : So I'll take you through the health and lifestyle questions and make sure that is right and umm, then we can get that set up for yourself as well. Now firstly, reading through the pre underwriting disclosure, it says please be aware, please be let me get it up. Please be aware. All calls are recorded for quality and monitoring purposes. one here is, are you a citizen or permanent resident of New Zealand, Australia? Can't reside in New Zealand, yes or no?

[37 minutes 55 seconds][Customer] : Yes, yes.

[39 minutes 7 seconds][Customer] : No, just hold the line. Let me ask my husband because I normally get that wrong.

[39 minutes 42 seconds][Agent] : Excellent. So he does the measurements for you.

[39 minutes 31 seconds][Customer] : Wait on what's my height 165 165?

[39 minutes 48 seconds][Agent] : Fair enough. So it's 165 centimeters last time you measured or he measured you? Yep. OK. And So what is your exact weight?

[39 minutes 54 seconds][Customer] : Yes, 75.

[40 minutes 2 seconds][Agent] : Kilograms.

[40 minutes 3 seconds][Customer] : Yep.

[40 minutes 4 seconds][Agent] : No problems. And have you experienced any unexplained weight loss of more than 5 kilos in the last 12 months?

[40 minutes 12 seconds][Customer] : No.

[40 minutes 13 seconds][Agent] : Right. So does your work require you to go underground? Work at heights above 20 meters, dive to dips below 40 meters, use explosives or travel to areas experiencing war, civil unrest or work offshore.

[40 minutes 28 seconds][Customer] : No, I'm an accountant. Very boring.

[40 minutes 33 seconds][Agent] : Well, no, no, I wouldn't do any of them myself either. Yeah, no. Some people I might like to blow up, but no.

[40 minutes 44 seconds][Customer] : I know.

[40 minutes 47 seconds][Agent] : Including my kids.

[40 minutes 47 seconds][Customer] : I I hate that one. Hold on.

[40 minutes 49 seconds][Agent] : Including my kids when they bring stuff out after I've cleaned the kitchen.

[40 minutes 54 seconds][Customer] : Exactly. It's like I told them the other day, I love you unconditionally, but I sometimes just really don't like you. It's like, really, really.

[40 minutes 59 seconds][Agent] : Yeah, yes.

[41 minutes 2 seconds][Customer] : I think that's pretty normal hearing.

[41 minutes 2 seconds][Agent] : If you make a mess after I've, if you make a mess after I clean it up, clean it up yourself. I'm not a slave. Yeah. Umm.

[41 minutes 9 seconds][Customer] : Exactly, Exactly. But they don't get the memo. They just don't get it. It's selective hearing.

[41 minutes 17 seconds][Agent] : Yes, definitely. Like my eldest son, he's 22, he meets partner, umm about 22. And they're like, oh, we're cooking our and you know, I said that's fine, clean up after yourselves. I come out after I've like this, you know, I can't come out later. And they've just left it all in the sink, said hello, this is not cleaning up after yourself. Put it in the dishwasher. You don't have to wash it manually in the dishwasher.

[41 minutes 36 seconds][Customer] : Yep, and it takes them all 5 minutes. That's the best thing of it all.

[41 minutes 43 seconds][Agent] : Yeah, yeah.

[41 minutes 44 seconds][Customer] : It's like 5 minutes.

[41 minutes 46 seconds][Agent] : Oh, but is something in there will empty it first?

[41 minutes 49 seconds][Customer] : Yep. Yes, they want clean dishes, but they don't want anything to get it to be cleaned.

[41 minutes 48 seconds][Agent] : Umm, yeah, yeah, yeah, yeah.

[41 minutes 56 seconds][Customer] : It's yeah, it's.

[41 minutes 58 seconds][Agent] : I know, kids. What can I say? All right. Now, uh, to the best of your knowledge, are you infected with or are you in a high risk category for contracting HIV, which causes AIDS? Do you have definite plans to travel or reside outside of New Zealand that is booked or we'll do booking travel within the next 12 months. Do you have existing life insurance policies with other life insurance companies with a combined total sum is short of more than \$5 million.

[42 minutes 13 seconds][Customer] : No, no, no.

[42 minutes 33 seconds][Agent] : Now with that existing one, we recommend that if you're looking to replace it, don't cancel that until you review our policy is full because there can be differences and also our cover is worldwide 24/7 so if you are traveling, the cover will be in place.

[42 minutes 42 seconds][Customer] : OK, OK.

[42 minutes 48 seconds][Agent] : Now, have you ever had symptoms of being diagnosed with or treated for 10 to state medical advice any of the following diabetes, rice, blood sugar, impaired glucose tolerance or impaired fasting glucose, chest pain, high cholesterol or high blood pressure, tumor, mole or cyst, including skin cancer, sunspots or Melanoma? [43 minutes 1 seconds][Customer] : No, no, no, no. Yeah, yeah, I was like 15 years ago.

[43 minutes 20 seconds][Agent] : Sorry, you did. OK, let's answer yes. Yep. OK.

[43 minutes 24 seconds][Customer] : I did, but I had a hysterectomy. I've I, I I don't have any of that left anymore. OK.

[43 minutes 30 seconds][Agent] : Oh, OK, right. So with the question he's asking, have you ever? So

we'll answer yes to that. Umm. It then asks what was the abnormality described as by your doctor? So I've got HPV, human papilloma virus award virus, SIM one, SIM 2, SIM 3 and 4 abnormal cells, precancerous lesion cells, the cervical displace. Yeah. Or don't know. That's right.

[43 minutes 56 seconds][Customer] : Yeah, I was in three. I was a three.

[43 minutes 59 seconds][Agent] : Mm Hmm.

[43 minutes 59 seconds][Customer] : They were going to cut the cervix.

[44 minutes 4 seconds][Agent] : OK. All right.

[44 minutes 1 seconds][Customer] : Yeah, to get to get the spots, but never got that far because I got pregnant and then it just healed itself.

[44 minutes 10 seconds][Agent] : Oh, wow. Oh, OK wow. That's great.

[44 minutes 12 seconds][Customer] : Yeah, yeah, I know.

[44 minutes 15 seconds][Agent] : All right. Yeah. All right. So it says Yeah.

[44 minutes 17 seconds][Customer] : I always say my second one was my miracle baby. Definitely not planned.

[44 minutes 23 seconds][Agent] : Not planned or just, uh, not plans, not when you're looking at going in for surgery.

[44 minutes 30 seconds][Customer] : No, no.

[44 minutes 29 seconds][Agent] : Yeah All right, well, look, that's great. And umm, so when, uh, when did you receive full clearance? So I've got zero to six months ago, 7 plus months ago or no clearance yet.

[44 minutes 45 seconds][Customer] : Probably about about eight years ago.

[44 minutes 50 seconds][Agent] : OK, so we'll definitely put in seven plus months ago.

[44 minutes 53 seconds][Customer] : Yeah. Yeah. Yep. No, it's been a while.

[44 minutes 55 seconds][Agent] : All right, OK. And thyroid condition or neurological symptoms such as dizziness or fighting disorder with the stomach, bowel or pancreas.

[45 minutes 2 seconds][Customer] : No, no.

[45 minutes 9 seconds][Agent] : Epilepsy, multiple sclerosis, muscular dystrophy, Parkinson's

disease or paralysis. Any illegal drug use, abuse, prescription medication, or save medical advice or counseling for alcohol consumption. Bladder or urinary tract disorder.

[45 minutes 15 seconds][Customer] : No, no, no.

[45 minutes 30 seconds][Agent] : Blood disorder or disease.

[45 minutes 34 seconds][Customer] : Sorry. Say again.

[45 minutes 35 seconds][Agent] : Blood disorder or disease?

[45 minutes 38 seconds][Customer] : No, no.

[45 minutes 39 seconds][Agent] : No excellent and sleep apnea or asthma. Excluding childhood asthma, no problems. So I don't know what you've already told me about. In the past three years, have you sought medical advice or treatment by a medical practitioner or specialist? Or are you waiting the results of any medical test investigations, for example undergone any surgery, had medical test investigations, for example X-rays, scans, blood tests or biopsy or awaiting results?

[45 minutes 45 seconds][Customer] : No, just my hysterectomy that I had a year and eight months ago.

[46 minutes 17 seconds][Agent] : OK. All right. So let's say yes to that one. And what was the reason for the hysterectomy?

[46 minutes 25 seconds][Customer] : To be honest, I still don't understand the whole thing. I was just, I, I was on my period for three years solid and I just didn't want to go away.

[46 minutes 34 seconds][Agent] : Oh, OK.

[46 minutes 34 seconds][Customer] : What what the cause was is that I've got no idea. I I don't understand it all, but just at the end of the day, the gynecologist just say, doesn't it? Not having any more babies.

[46 minutes 45 seconds][Agent] : Yeah, yeah. OK. Mm. Hmm.

[46 minutes 48 seconds][Customer] : No, no need for it.

[46 minutes 49 seconds][Agent] : Mm. Hmm.

[46 minutes 48 seconds][Customer] : So I would decided hysterectomy would be the easiest way instead of trying to shove a whole bunch of holes down my throat to try and get it fixed with

medication.

[47 minutes][Agent] : Yeah.

[47 minutes][Customer] : Just yeah.

[47 minutes 1 seconds][Agent] : Oh, wow. OK, yes. So were you in pain with that as well?

[47 minutes 8 seconds][Customer] : Yes, there was some pain with it. Well, more my back. You know, when you get really unsense.

[47 minutes 15 seconds][Agent] : Yeah, yes.

[47 minutes 17 seconds][Customer] : Pain, they have that in my back more than anything else. But the minute they, the minute my hysterectomy was done, it was like a changed person. It was amazing.

[47 minutes 20 seconds][Agent] : Oh well, Oh well. Oh, no. Look, I couldn't. I don't know how to put up with that for three years. Oh, wow.

[47 minutes 34 seconds][Customer] : Three years and I've got such a strict guideline to get all of it done, to get it approved to the stage.

[47 minutes 35 seconds][Agent] : Yeah, yeah, yeah, Because you've your age. It be a lot of the problem there. Umm yeah.

[47 minutes 42 seconds][Customer] : Yeah, yeah, that was one of the sad things. And then I because you have to go through all the medication that they suggest you take to try and control it.

[47 minutes 47 seconds][Agent] : Umm, yeah.

[47 minutes 56 seconds][Customer] : And then I put in the Marina to try again.

[48 minutes][Agent] : Yep.

[48 minutes][Customer] : Like I had mine 2 weeks and then had my operation two weeks after.

[48 minutes 4 seconds][Agent] : Oh wow, yeah. Wow, wow. I take my hat off here for putting up with that for so long. Wow.

[48 minutes 4 seconds][Customer] : Had my yeah, yeah, I, yeah, no. It was pretty intense at some stage.

[48 minutes 20 seconds][Agent] : Yeah, yeah. All right, look, just give me one moment. I just want to

quickly verify if, uh, how to catch this correctly for you. I'll be 1 moment.

[48 minutes 27 seconds][Customer] : OK.

[48 minutes 28 seconds][Agent] : Thanks. Thanks so much for holding day.

[50 minutes 20 seconds][Customer] : No, that's OK.

[50 minutes 19 seconds][Agent] : OK, My manager and I were just both cringing to what you've had to deal with. Umm, so yeah, look, just umm, going back to the question with regards to the blood, uh, were you ever diagnosed with iron deficiency anemia with, with having umm, the period for so long? Nine. OK, so your iron levels were all normal at all times? Yep.

[50 minutes 37 seconds][Customer] : No, no, no, it's just, well, I, I hate supplements, just normal vitamin supplements that I was taking, but which I still take every day today. And I think that's just, I kind of just kept it at the level and just ate the right food.

[50 minutes 55 seconds][Agent] : Oh, OK. Right. Right.

[50 minutes 57 seconds][Customer] : Yeah. Yeah.

[50 minutes 57 seconds][Agent] : So, So no, none of your blood tests ever showed the deficiency in your eye level.

[51 minutes 3 seconds][Customer] : No, no, never.

[51 minutes 5 seconds][Agent] : OK, no problems at all. You're lucky with that in that case.

[51 minutes 9 seconds][Customer] : Yeah, yeah.

[51 minutes 10 seconds][Agent] : All right, So what I am going to have to do is refer this to our underwriters. Umm, if you had, I could have captured it, uh, the hysterectomy under the, the and the new one. Umm, but OK, let me get some information, all right. And, uh, because there's no, uh, there's a place of it for pain, umm. Pain, but not actually for the hysterectomy that, uh, we can cover it under. So, umm, it says, please describe the reasons, the consultation, including symptoms and diagnosis. So it's a hysterectomy, umm, due to having constant. For two years, that's sorry. For three years, wasn't it? OK. So it cost a period for three years And which medication didn't work to stop with heavy back pain? No signs of anemia. OK. All right. And when did it occur?

[52 minutes 5 seconds][Customer] : Yep, Yep, Yep. Hysterectomy.

[52 minutes 55 seconds][Agent] : They they stretched me. Yeah.

[52 minutes 58 seconds][Customer] : That was November. Not last year, the year before 2. Yep.

[53 minutes 1 seconds][Agent] : OK so 1122 Yep. And it says please provide details of medical tests. So examinations, X-rays, scans, blood tests or biopsies including dates and the results. So I'm assuming it would have been like examinations, ultrasounds, blood tests and all that type of thing.

[53 minutes 24 seconds][Customer] : Yeah, that was all done through North Shore Hospital through through the gynecology department. So all the records are there.

[53 minutes 34 seconds][Agent] : That's all right. We don't need to see the records. Just, you know, we list it from your word of mouth there.

[53 minutes 41 seconds][Customer] : Yeah.

[53 minutes 42 seconds][Agent] : Yeah. OK. And it never showed A cause for the, for what you've experienced. OK. Yep.

[53 minutes 51 seconds][Customer] : No, what I do understand in TH in my term is that I had both my kids were cesarean and that is one of the things that can cause you to just keep on bleeding.

[54 minutes 9 seconds][Agent] : OK. Yep.

[54 minutes 10 seconds][Customer] : It's it's what they call a scarring because of the infection.

[54 minutes 14 seconds][Agent] : Yep. Mm. Hmm.

[54 minutes 15 seconds][Customer] : It's quite common for people that have multiple C sections, as I understand. So that was the, the, the most, the plainest way that I could understand because the medical care was just above, above my head, unfortunately.

[54 minutes 27 seconds][Agent] : OK, I can understand. OK, All right, umm, all right. So yes, I've just put in here the examination, ultrasound, blood test. No, caused none or identified in tests. Could have been caused by scarring from 2C sections.

[54 minutes 47 seconds][Customer] : Yeah.
