

[1 seconds][Agent] : Hi, Kayla.

[1 seconds][Customer] : Hey, Denny. Hello.

[2 seconds][Agent] : Hello.

[2 seconds][Customer] : How are you?

[3 seconds][Agent] : Sorry it took a little bit longer than the lady. Just kept talking.

[6 seconds][Customer] : Oh, that's all right. That's OK. No worries at all. They're still on hold, so that's all good.

[11 seconds][Agent] : OK.

[11 seconds][Customer] : I've got Lindsay as well as Leon Leonita. So you've been speaking with the wife now?

[19 seconds][Agent] : OK.

[16 seconds][Customer] : Lindsay's there today, and they want to get the policy organized today.

[19 seconds][Agent] : Yep. Perfect. Not a problem. Thanks so much for that.

[23 seconds][Customer] : That's OK. Let me know when you're ready.

[25 seconds][Agent] : Yeah, I'll just jump in. Wait too long. It's really slow.

[32 seconds][Customer] : Oh, good.

[33 seconds][Agent] : OK, here we go. OK. Yes. Perfect. Not a problem. Just drop them in when you're ready.

[39 seconds][Customer] : Thank you. 321.

[43 seconds][Agent] : Y'all from real insurance. How are you?

[46 seconds][Customer] : Good. How are you?

[48 seconds][Agent] : That's good.

[47 seconds][Customer] : Is this?

[48 seconds][Agent] : Yeah, really good. Thank you.

[48 seconds][Customer] : Is this Dennis?

[51 seconds][Agent] : So I believe you were speaking to Kayla. What was that?

[54 seconds][Customer] : Yeah. The license?

[57 seconds][Agent] : Yes, I have spoke to you about the quotes for your husband.

[1 minutes][Customer] : See. Yes.

[1 minutes 3 seconds][Agent] : Yep. Perfect. Not a problem at all. I'll go through the information here. So Please note all our calls are recorded. Any advice I provide is general in nature, may not be suitable to your situation. And now Lindsay there to go through the information with him today. OK, perfect. Thank you. OK, 150.

[1 minutes 17 seconds][Customer] : Yes, it's here now, but I would like to reduce the amount the, you know, the the offer maybe just like maybe one 5000 or 100.

[1 minutes 32 seconds][Agent] : Yeah, sure.

[1 minutes 32 seconds][Customer] : Yeah, almost there.

[1 minutes 35 seconds][Agent] : Let's have a look here. So have you had a cigarette in the last 12 months? Just need to confirm again. Thank you. And.

[1 minutes 34 seconds][Customer] : No, no, no, never smoke smoking. I've never smoking. My what?

[1 minutes 49 seconds][Agent] : Oh, perfect. How are you, Lindsay?

[1 minutes 52 seconds][Customer] : Not too bad.

[1 minutes 53 seconds][Agent] : That's good. We'll go through the information. I'm not too sure if you heard this, Lindsay, but Please note all our calls are recorded. Any advice to provide you general in nature may not be suitable to your situation. Am I on loudspeaker?

[2 minutes 4 seconds][Customer] : Yep.

[2 minutes 5 seconds][Agent] : Oh, perfect. All right, Lindsay, can I just get you to confirm your name and date of birth? Perfect. Thank you. And just with a yes or no response. Sorry. Have you had a cigarette in the last 12 months?

[2 minutes 11 seconds][Customer] : Lindsay Scott Baker, 5th of August 1971 No.

[2 minutes 23 seconds][Agent] : Great. Thank you. All right, now, when I was speaking to your wife, I did the quote on 200,000. I'll let you guys know what 150,000 and then 100,000 would be.

[2 minutes 35 seconds][Customer] : Sorry. Sorry. Bother you?

[2 minutes 39 seconds][Agent] : It's alright. And Lindsay, can I confirm you are a male Australian resident? Perfect, thank you. Alright, so if we drop the life insurance down to \$150,000, now we have the total and permanent disability on at 50,000.

[2 minutes 45 seconds][Customer] : Yes, yes, yes, I will keep that.

[2 minutes 58 seconds][Agent] : Are we keeping that on or are you wanting to take that off, keep that one on?

[3 minutes 5 seconds][Customer] : Yeah, yeah. How about a 100?

[3 minutes 5 seconds][Agent] : OK, so for 150,000 of life insurance and 50,000 of TPD, it is \$41.76 per fortnight, 100,000 Yep.

[3 minutes 20 seconds][Customer] : Sorry, sorry.

[3 minutes 20 seconds][Agent] : So 100,000 of you're right, 100,000 of life insurance and 50,000 of total and permanent disability.

[3 minutes 33 seconds][Customer] : UH-30 yeah, OK.

[3 minutes 27 seconds][Agent] : It then reduces it to \$33.63 per fortnight at 33.

[3 minutes 34 seconds][Customer] : I, I take that yeah.

[3 minutes 36 seconds][Agent] : Yeah, 333, Yeah, \$33.63 per fortnight.

[3 minutes 38 seconds][Customer] : O33O OK, That's that's for Fortnite. Yeah yeah. OK.

[3 minutes 45 seconds][Agent] : That's correct, yes.

[3 minutes 48 seconds][Customer] : It's, it's OK if I buy, uh, if I pay with my name and my card, Yeah, OK.

[3 minutes 55 seconds][Agent] : Yeah, we just need to go through the information with Lindsay and then we need to go through his questions and check his eligibility before we before we organise that. But then, yeah, just once I speak to him and we go through all the questions, I understand that you're wanting to pay for it all. So at the end, I'll just get you back on the phone, put your details in if he's approved, and then we'll read the declaration to Lindsay. OK.

[4 minutes 5 seconds][Customer] : OK, OK.

[4 minutes 21 seconds][Agent] : All right. Lindsay, you still there? All right, perfect. Now I'll go

through the information with you. If you have any questions at any time, please feel free to ask me as well.

[4 minutes 23 seconds][Customer] : Yep, OK.

[4 minutes 31 seconds][Agent] : Now, the levels of cover you can apply for, they range from \$100,000 up to \$750,000. Now I know you would have heard that, but I want to confirm, are you happy with \$100,000 of the life insurance for yourself?

[4 minutes 45 seconds][Customer] : Yes.

[4 minutes 46 seconds][Agent] : Thank you. So the life insurance on its own was \$16.26 per fortnight and then we have TPD included in there at \$50,000. So you can choose cover from \$50,000 up to 100,000. Now there is the quote there for \$50,000 of the total and permanent disability and it's \$17.37 per fortnight on its own. So that was a total fortnightly premium together of \$33.63. Is that OK with you Lindsay? Perfect. So with our life insurance, it is designed to provide financial protection for your loved ones. Now we need to a lump sum payment if you were to pass away. Now this could be used to help them pay a full mortgage, loans, maintain their lifestyle and any other costs involved in raising a family. So it is basically there to give it the Peace of Mind that if something happened to you, your family would have that financial security and you can nominate up to five beneficiaries to receive their nominated benefit amount.

[5 minutes 20 seconds][Customer] : Yes, OK.

[5 minutes 52 seconds][Agent] : Now to apply for cover, we just ask you some health and lifestyle questions over the phone to see if you are approved. If you are accepted and once you decide to commence the policy, you'll be covered immediately for death due to any cause. The only thing not covered is suicide in the 1st 13 months. In addition, there is a terminally ill advanced payment included in the cover. So if you were diagnosed with 12 months or less to leave by a medical practitioner, we'll pay your claim in full and the money could be used for medical costs, et cetera, to ensure that you receive the best care possible. And then we also include a \$10,000 advance payment to help with funeral costs or any other final expenses at the time. Now we have a real reward attached to the policy. So following your first policy and a first free date, we'll refund you 10%

of the premiums you paid in that time. So \$87.44 is what to get back. And we do also send out a freewheel kit value that's \$30.00 with the policy as well.

[6 minutes 13 seconds][Customer] : Ah, hi, hi.

[7 minutes 1 seconds][Agent] : Now your premium is stepped, which means it will generally increase each year as you age. In addition, this policy has automatic indexation, which means each year your sum insured will increase by 5% with associated increases in premium. You can opt out of this automatic indexation each year. So as an indication, if you make no changes to the policy, your premium next year will be \$39.70 per fortnight. That's with your benefit amount raising to \$105,000 for life insurance and \$52,500 for TPD. And you can also find information about our premium structure on our website as well. Did you have any questions at all? I've gone through a fair bit of information there. Lindsay, did you have any questions? Thank you. Now the TPD that was included in there, but I'll go through that quickly with you as well. Just confirming you work a minimum of 20 hours per week.

[7 minutes 51 seconds][Customer] : No, yeah, I do 3840 whatever full time.

[8 minutes 9 seconds][Agent] : Yep, not a problem. Full time. Yep. And can I ask what your current occupation is?

[8 minutes 10 seconds][Customer] : Yeah, full time, full time machine operator.

[8 minutes 20 seconds][Agent] : Thank you. So I have here machine operator, all other sites machine operator factory. Yeah, OK, fantastic. Yep, OK, not a problem. So that is that applies to yourself machine operator.

[8 minutes 52 seconds][Customer] : Yes.

[8 minutes 53 seconds][Agent] : Yeah, OK, thank you. Now with our total and permanent disability pays a lump sum benefit in the event that you suffer the loss of a limb or sight or unable to work for a period of six consecutive months. And it'll be able to return to work in any field in which you're experienced, educated or trained. Or if you would have suffered loss of independent existence. There is an exclusion under this cover for any intentional self-inflicted injury. Please also be aware that any payment made the total and permanent disability cover reduces the available life insurance

benefit amount. If you also purchase serious illness cover, the serious illness benefit amount will also be reduced. So it will also reduce when you have a successful TPD claim. So as I mentioned that TPD on there at \$50,000, that was \$17.36 per fortnight. Are you happy for me to add this optional cover to your quote, Lindsay?

[9 minutes 51 seconds][Customer] : How much? All them \$33.

[9 minutes 57 seconds][Agent] : Yep. So that was the total premium. That's correct. I just have to tell you individual breakdown of them as well.

[9 minutes 57 seconds][Customer] : That's what you said in Yeah, yeah, yeah.

[10 minutes 4 seconds][Agent] : Yep.

[10 minutes 4 seconds][Customer] : You just told them about one section. Yes, yes. Yes.

[10 minutes 8 seconds][Agent] : Yep. Not a good, sorry. Yeah, you're happy to ask this optional cover to your quote.

[10 minutes 11 seconds][Customer] : Yes, yes.

[10 minutes 12 seconds][Agent] : Thank you.

[10 minutes 11 seconds][Customer] : Yes, yes, yes.

[10 minutes 12 seconds][Agent] : Yep, not a problem. Now the next step, Lindsay, would be go through your health and lifestyle questions and check your eligibility. Can I describe an address to starting with your post code please? Thank you. And so 2560, what suburb is that in? Thank you. And what was the address?

[10 minutes 24 seconds][Customer] : 2560 Leunya LEUNEAH, 15 Teralba Road, TERALBA Rd.

[10 minutes 43 seconds][Agent] : Yep, thank you. And is that your postal address as well? Great. Thank you. So I'm just going to read out a pre underwriting disclosure and then we'll go through your questions. So just bringing it up now. Won't be long Lindsay. OK, so the are you alright for me to read the pre underwriting disclosure? Sorry, Lindsay.

[10 minutes 55 seconds][Customer] : Yeah, yeah, yeah, yeah, yeah, yeah. I'm just, I'm just disrespected by the cat, that's all.

[11 minutes 23 seconds][Agent] : Yeah, OK, no, that's OK, not a problem at all. So it just says

please be aware all calls are recorded for quality and monitoring purposes.

[11 minutes 34 seconds][Customer] : Yeah.

[11 minutes 33 seconds][Agent] : We collect your personal information to provide insurance quotes, issue cover and other related services. We will share this with your insurer and may share it with other Australian service providers for the purpose of administering your policy or handling claims. Our privacy policy tells you more, including how to access and correct your information and lodge complaints about breaches of private the fee. I'll be more than happy to help you out. And I just need you answering these questions. I can't have your wife helping answer any of these ones.

[12 minutes 37 seconds][Customer] : Yes, yeah, I know. Yep, Yep.

[12 minutes 54 seconds][Agent] : OK, thank you. Now, first question for you. Have you been hospitalised for COVID-19 in the last six months, or have you been diagnosed with COVID-19 in the last seven days?

[13 minutes 8 seconds][Customer] : Both.

[13 minutes 12 seconds][Agent] : Yep. Yep. Not a problem. OK. Yep. Not a problem at all. We can.

[13 minutes 8 seconds][Customer] : No, I I did get COVID, but that was last year and I was only, yeah, I was only like off work for two days and it wasn't even that bad. It was it was very quite mild, actually.

[13 minutes 20 seconds][Agent] : Yep. Oh, good. Yep. Yeah. Everyone gets a different, don't they?

So we can answer no to that question now.

[13 minutes 22 seconds][Customer] : Yeah, yeah, yeah, yes, yes.

[13 minutes 28 seconds][Customer] : The dates are both there, citizen. Yeah, I was born here.

[13 minutes 42 seconds][Agent] : Thank you. Sorry to say yes or no. Sorry, Lindsay.

[13 minutes 45 seconds][Customer] : Yeah, so.

[13 minutes 46 seconds][Agent] : No, you're right. Next question says does your work require you to go underground, work at heights above 20 meters, dive to depths below 40 meters, use explosives or travel to areas experiencing war or civil unrest, or work offshore?

[14 minutes 4 seconds][Customer] : No, no.

[14 minutes 3 seconds][Agent] : Yes or no, Thank you. The next section is in relation to your height and weight. Please be aware that I am required to obtain a confident single figure measurement for each in order to continue with the application. The system does not allow me to enter any approximate figures, words or height and weight ranges. So Lindsay, what is your exact height for either centimetres or feet in inches?

[14 minutes 26 seconds][Customer] : I think I'm about 5-6.

[14 minutes 30 seconds][Agent] : 5 Yep. Are you happy for me to put in five feet and six inches for your exact time?

[16 minutes 13 seconds][Customer] : I, I am on blood pressure tablets. That's because I, I used to get like real bad headaches and, and the specialist he, yeah, he told me to try out blood pressure that was in my work. But that's just like, well, I usually have really bad headaches.

[16 minutes 19 seconds][Agent] : OK OK, so not for high blood pressure, yeah.

[16 minutes 31 seconds][Customer] : Like no, Well, my WW, when I go like every night when I get reproduced, they check my blood pressure and it's, it's virtually always low.

[16 minutes 44 seconds][Agent] : OK, So it would, is it classed as as normal, like a normal blood pressure or is it?

[16 minutes 42 seconds][Customer] : It's never been like high or nothing, 'cause they've been on these kind of yeah, yeah.

[16 minutes 50 seconds][Agent] : Oh, OK, not a problem. So you only take the blood medication for the headaches.

[16 minutes 49 seconds][Customer] : No more, yeah, yeah, no more yeah, yeah. Because I get like real, like really awful headaches.

[16 minutes 57 seconds][Agent] : OK, Yep.

[17 minutes 5 seconds][Customer] : Yeah, yeah, yeah.

[17 minutes][Agent] : OK, so if it's not related to high blood pressure or anything like that, we can answer no to that question and then we'll just place the headaches in another part there.

[17 minutes 6 seconds][Customer] : So I'm just, I'm just making sure I'm not, you know, you know, Yeah.

[20 minutes 6 seconds][Agent] : OK so osteoarthritis OA which is also known as osteoarthritis or degenerative joint disease DJD is a progressive disorder of the joints caused by gradual loss of cartilage and resulting in the development of Bony spurs and cysts at the margin of the joints.

[20 minutes 46 seconds][Agent] : O oh, OK, no, but yeah, we do have a few more questions that we need to go through.

[20 minutes 50 seconds][Customer] : Yeah, no, I'm just.

[20 minutes 52 seconds][Agent] : Yep, no, that's OK, not a problem. So just confirming, is it osteoarthritis? Yes or no? OK, so it is osteoarthritis now.

[20 minutes 51 seconds][Customer] : I'm just saying yeah, yes, yes, yes, yes, yes, yes, yes, yeah, yeah.

[21 minutes 4 seconds][Agent] : OK. And have your symptoms affected your work or lifestyle?

[21 minutes 15 seconds][Agent] : OK, not a problem.

[21 minutes 17 seconds][Customer] : It's not my thing.

[21 minutes 17 seconds][Agent] : So yeah, OK, so that's alright. So we've entered yes to osteoarthritis and then it have your symptoms affected to work or lifestyle, We've answered no to that. Yeah, OK.

[21 minutes 18 seconds][Customer] : It's just like it's yeah, yeah, no, no, just yeah, yeah, yeah.

[21 minutes 30 seconds][Agent] : And the next one says chronic pain, yes or no chronic pain.

[21 minutes 35 seconds][Customer] : Sorry, no, not that bad.

[21 minutes 40 seconds][Agent] : Yeah, this is a different question. So chronic pain we've captured the arthritis in now gout. Yes or no? Repetitive strain injury. Or are you awaiting results for any medical tests or investigation such as but not limited to any surgeries, X-rays, scans, blood tests or biopsy? Thank you. Now you did mention the headaches.

[22 minutes 51 seconds][Customer] : No, Yep, down there, very rainy.

[22 minutes 58 seconds][Agent] : So would you say are they occasional headaches or they are OK? Do you still take medication for them? Yep. Yep.

[23 minutes 10 seconds][Customer] : Yeah, because like I think the before I had a lot of medication, right, But I could have say two in a week or I wouldn't have one month to say like six months. I mean, they just would come out of the flu.

[23 minutes 22 seconds][Agent] : Oh, OK, Yep. Yes. OK.

[23 minutes 24 seconds][Customer] : Yeah, that's a lot. They're real. They're real vicious.

[23 minutes 28 seconds][Agent] : Yep.

[23 minutes 28 seconds][Customer] : Like real vicious.

[23 minutes 29 seconds][Agent] : OK. And how did you have any tests or investigations for them?

[23 minutes 35 seconds][Customer] : Yes. Well, Halfway senior specials, like about from about half a more dozen times, like Halfway started doing the tablets and I said yeah, and then they eventually went away. He said, well, yeah, make a yeah.

[23 minutes 32 seconds][Agent] : Is everything being clear with Yep, Oh, OK, Yep, OK.

[23 minutes 52 seconds][Customer] : That was off about three or five years ago.

[23 minutes 55 seconds][Agent] : Yep.

[23 minutes 56 seconds][Customer] : Yeah.

[23 minutes 55 seconds][Agent] : So I do have here headaches occasional, no outstanding referrals, investigations or tests. Would you be happy for me to place them under that for you?

[24 minutes 7 seconds][Customer] : No, because I, I don't, I haven't. Like I said, obviously he hasn't. He hasn't. I haven't made this meeting since about 2019.

[24 minutes 13 seconds][Agent] : Yep, yes, sure. Not a problem.

[24 minutes 18 seconds][Customer] : Yeah, No, I just.

[24 minutes 16 seconds][Agent] : Well, because you've mentioned it to me, we do need to place it in here within the application. So I have headaches occasional, no outstanding referrals, investigations or tests.

[24 minutes 20 seconds][Customer] : Yeah, yeah, yeah, yeah, yeah. Do that. Do that. Yeah.

[24 minutes 26 seconds][Agent] : We can put it under that or I have migraines long standing under the Yep, not a problem. I'll let you know of this one as well. I have migraines. If it was classed as a migraine, long standing occasional, no outstanding referrals, investigations or tests, which one would you think would apply to you?

[24 minutes 32 seconds][Customer] : Do that, yeah. No referrals, no tests. Just say that's occasional.

[24 minutes 48 seconds][Agent] : Yep, for the OK, headaches occasional or the migraines headache, yeah, OK. So happy to place it under headaches occasional. No outstanding referrals, investigations or tests. Is that right?

[24 minutes 55 seconds][Customer] : Yeah, yes.

[25 minutes 3 seconds][Agent] : OK, thank you. And the next question says, other than what you have already told me about, are you contemplating seeking medical advice for any symptoms you're currently experiencing within the next two weeks? Other than what you have already told me about, have you ever during your working career, required more than two consecutive weeks of work due to illness or injury?

[25 minutes 17 seconds][Customer] : No, I had bone spurt on my left knee about St. what's about 8 years, seven or eight years ago I think it was.

[25 minutes 39 seconds][Agent] : OK.

[25 minutes 40 seconds][Customer] : And they gave me two weeks off. And when I went back to see a doctor, he, he, he just was. Yeah, I ain't never happened like a month off, but that was because 'cause my knee was so strapped. No, it was, it came weak, you know, because it couldn't move, you know. So, yeah, I've had no problem since then. Like, like I just wear like, you know, things you put over your knee as the the compression or something.

[25 minutes 58 seconds][Agent] : Oh, OK, yes. OK.

[26 minutes 9 seconds][Customer] : I wear, I wear, I wear one of them during the June work. Yeah.

[26 minutes 11 seconds][Agent] : Y yeah, OK. So it was for the knee, was it?

[26 minutes 15 seconds][Customer] : Then like I said, I've had. I've had no problem since.

[26 minutes 57 seconds][Customer] : I think I I don't think I was. They put you under.

[27 minutes 1 seconds][Agent] : Yep. OK. So we can place it under this question here. So joint or muscle pain, ligament injuries, including replacement or reconstructive surgery. So it's for the knee, did you say? Yes.

[27 minutes 12 seconds][Customer] : Yeah, yeah.

[29 minutes 12 seconds][Agent] : OK then like shave the spurs down or Yeah, No, that's OK.

[29 minutes 28 seconds][Customer] : I'm assuming they just either filed it off or stored off. I don't, I don't think it was that large. It was just large enough, you know, to do something to me.

[29 minutes 30 seconds][Agent] : Yeah, yeah, of course. Yeah, alright. And that was in say, October, November.

[29 minutes 58 seconds][Customer] : Yeah, it was about October 16th.

[30 minutes 16 seconds][Customer] : Yeah, yeah, I know. I got the shocking life.

[30 minutes 23 seconds][Agent] : Alright. And and, and please provide date of occurrence.

[30 minutes 34 seconds][Customer] : Yeah. It was late. It was about late October.

[30 minutes 28 seconds][Agent] : So is it not 100% sure of any exact dates, but around October, November 2016, Yeah, OK.

[30 minutes 46 seconds][Customer] : It was done at Camden Hospital.

[30 minutes 49 seconds][Agent] : That's right. And is? Yeah. Is any further invest?

[30 minutes 47 seconds][Customer] : If you wanna know, 'cause I wouldn't have the record anymore, 'cause I they get rid of them after seven years.

[30 minutes 56 seconds][Agent] : Yep, of course, yeah, they can't keep them all, can they?

[30 minutes 55 seconds][Customer] : They told me no.

[31 minutes 1 seconds][Agent] : Is any further investigation or treatment planned? If so, when?

[31 minutes 7 seconds][Customer] : Nah, nothing, because nothing's happened since.

[31 minutes 9 seconds][Agent] : Yep.

[31 minutes 10 seconds][Customer] : I haven't had that problem.

[31 minutes 10 seconds][Agent] : And OK, perfect. Does this condition affect your work performance in any way? If so, how? And please confirm if a full recovery has been made.

[31 minutes 34 seconds][Agent] : OK, Yep. Thank you. All right. So we've captured that in here. So I'll just explain that to you. So we just need to then manually refer it off to the underwriter for assessment.

[31 minutes 49 seconds][Customer] : Yep.

[31 minutes 46 seconds][Agent] : So they'll look into the application and assess that. So I wouldn't be able to give you an, an answer right now as to whether would come back, you know, approved at this stage, but we do need to send it off to the underwriter and they'll, they'll be able to determine, you know, the outcome from there.

[32 minutes 1 seconds][Customer] : Yeah, yeah, that's all.

[32 minutes 3 seconds][Agent] : The next question says, to the best of your knowledge, have any of your immediate family living or deceased ever being diagnosed with polycystic kidney disease, Huntington's disease, or familial adenomatous polyposis? Thank you. To the best of your knowledge, have any of your immediate family suffered from cancer, heart condition, stroke or other hereditary disease prior to age 60?

[32 minutes 56 seconds][Agent] : Yeah, me either, don't worry. Alright, so that was the last question there. I'm just going to have a look here. So for the nice, so sorry it's taking a little bit longer than what you thought is as well Lindsay, we do just need to make sure everything placing everything in here correct.

[33 minutes 16 seconds][Customer] : Yep, Yep.

[33 minutes 30 seconds][Agent] : Alright, sorry, won't be long. OK, so I've got the information here for the underwriter. So as I mentioned, the application does need to be referred to the underwriter for assessment. Now what that means is you will be covered for accidental death.

[34 minutes 20 seconds][Customer] : Yep, Yep.

[34 minutes 30 seconds][Agent] : Sorry, it's just bringing it up. Sorry, it's just getting the information up here. Alright, so while your application is being assessed to be covered for accidental death, which pays out if death was a direct result of an accident, cover under this last until the insurer makes a decision on your application or 30 days from today, whichever is earlier. Now from here what we do is we just place in preferred payment method and a preferred payment date. So we get this assessed by the underwriter. Now if the commencement, the commencement of your cover will

be subject to final assessment by the insurer. If the insurer approves cover without any changes. Are you happy to make to record your acceptance of this policy now? And we'll send out all your policy information to your e-mail and postal address. Thank you. So if it comes back, approve. No changes made whatsoever.

[34 minutes 59 seconds][Customer] : Yep, yes, just post, just post. Sorry.

[35 minutes 34 seconds][Agent] : J, you just want it posted.

[35 minutes 37 seconds][Customer] : Yeah, just post it.

[35 minutes 38 seconds][Agent] : OK, We do e-mail the documentation and post them. So we do send out both ways.

[35 minutes 37 seconds][Customer] : Yeah, OK.

[35 minutes 48 seconds][Agent] : Is there a reason you just wanted them just posted? Of course. Yep.

[35 minutes 53 seconds][Customer] : Oh just an odd, I'm more of a hyper person then a then a computer.

[36 minutes][Agent] : Yeah, no, that's OK. So the e-mail is just the documentation. We e-mail them to you, but we just, we have to post them to you as well. So you get them with the reason we sent them through e-mail is so you get them on the day if a policy starts that way, you put all the information there. And then we do definitely send them to you via post as well. So we send them to you through e-mail and post.

[36 minutes 23 seconds][Customer] : So you want my e-mail address? Yeah.

[36 minutes 26 seconds][Agent] : It looks like I've got your e-mail address here at lindsay.baker@gmail.com.

[36 minutes 33 seconds][Customer] : No, that is my one that goes to my phone is because no, my Li. It's Lindsay Jedi.

[36 minutes 48 seconds][Agent] : Yeah, yeah, yeah.

[37 minutes][Customer] : That goes to my phone.

[37 minutes 1 seconds][Agent] : Oh, OK.

[37 minutes 1 seconds][Customer] : That's yeah.

[37 minutes 2 seconds][Agent] : Yep, not a problem. Thank you. So just did you guys have a question? Sorry. OK, not a problem. All right, So I'll add it. So when the policy, if the policy comes back approved, no changes made whatsoever, then we'll accept it and you'll receive the documentation. OK. And now can I just confirm when you had the operation for the knee, how long did you have off work? OK, OK. Yes. Yep. Not a problem.

[37 minutes 35 seconds][Customer] : OK, it was 4 weeks and two days because I had the operation on a Thursday and the doctor gave me like well he gave me today and he did it for two weeks and then when I went back and gave me another two weeks, I probably didn't need it.

[38 minutes 3 seconds][Agent] : Yep. Yep.

[38 minutes 3 seconds][Customer] : But he it because, because when he took the, the, all the things off, the wrappings and stuff, what?

[38 minutes 10 seconds][Agent] : Yeah, of course.

[38 minutes 9 seconds][Customer] : My knee was a bit wobbly, you know, 'cause it's 'cause I couldn't hardly read it right.

[38 minutes 11 seconds][Agent] : Yep, Yep.

[38 minutes 13 seconds][Customer] : Yeah, 'cause it was like tight, really tight when they did it.

[38 minutes 16 seconds][Agent] : Yes. Is. I just needed to. Yeah. Get used to walking and properly and get that muscle back. Yep, of course. No, that's understandable. Alright, perfect. So we'll send it off to the underwriter. We do this place in preferred payment method and preferred payment date. Now, is your wife still going to be using her card details?

[38 minutes 21 seconds][Customer] : Yeah, yeah, yeah, yeah, yeah, yeah.

[38 minutes 41 seconds][Agent] : Yeah, if she's still there. Just. I'm happy to.

[38 minutes 42 seconds][Customer] : You want her now?

[38 minutes 44 seconds][Agent] : Yeah, if she's still there or just you can keep me on loudspeaker

[38 minutes 46 seconds][Customer] : Yeah, yeah, ye, yes, maybe I pay mine and him as well. So can I give you or you my card details now?

[39 minutes 2 seconds][Agent] : Yeah, of course. Yeah. Not a problem at all. So just confirming. I know we went through the information, but the \$33.63 per fortnight for the life insurance, so I'm not too sure if you heard, but it does need to be sent off to the underwriter for assessment. OK.

[39 minutes 16 seconds][Customer] : OK.

[39 minutes 15 seconds][Agent] : So we'll get we'll get back to him tomorrow.

[39 minutes 18 seconds][Customer] : Yes, sorry. Can you put the beneficiary benefici benefici under my name? Yeah, yeah, under my name.

[39 minutes 25 seconds][Agent] : Ben, your beneficiary, yes, we can't do that just we can't do that just yet because he's not approved for the cover just yet.
