

[2 seconds][Agent] : Welcome to Real Insurance. My name is Georgia. How can I help you today?

[7 seconds][Customer] : Good afternoon, Georgia Ho. How's your day going?

[9 seconds][Agent] : I'm. You've been good. Thank you. How's your day been?

[13 seconds][Customer] : Yeah, not too bad. I had a missed phone call from this number. I was just wondering what it was about.

[19 seconds][Agent] : OK, sure. Thanks for giving us a call back. This is Real Insurance so we would have been contacting you if you've put through an inquiry about one of our insurances on our website. OK, perfect. That would have been the reason we were calling. Let me have a quick look. What's your full name and date of birth?

[29 seconds][Customer] : Oh yes, I've put through a quote for income insurance Doug Morrison Grey and it's the 27th of April 2000.

[45 seconds][Agent] : Perfect. Let's have a quick look. OK. Beautiful. Yes. Income protection, Is that right?

[54 seconds][Customer] : Yep.

[54 seconds][Agent] : Yeah. Wonderful. I will just confirm that you are a male Australian resident, is that correct? Beautiful. All calls are recorded. Any advice you provides general in nature may not be suitable to your situation and what's prompted the inquiry. What's got you looking into income protection at the moment? Mm hmm.

[1 minutes][Customer] : Yes, well, I've recently been injured in football, so I've taken time off work for that and obviously didn't get paid for it.

[1 minutes 23 seconds][Agent] : Right. OK. Are you currently off work?

[1 minutes 22 seconds][Customer] : So yeah, no.

[1 minutes 32 seconds][Agent] : Right.

[1 minutes 28 seconds][Customer] : So I've recently gone back, it was only a week off work just to get the swelling out of what I injured.

[1 minutes 34 seconds][Agent] : OK, sure. What was the injury?

[1 minutes 38 seconds][Customer] : Shoulder slash collarbone.

[1 minutes 40 seconds][Agent] : OK that's fine. And was it just like an over extension or?

[1 minutes 46 seconds][Customer] : Yeah, pretty much.

[1 minutes 47 seconds][Agent] : Yeah, OK, alright, that's fine. The only reason I ask is just with the health and lifestyle questions, we have a menu to pop it into the application. Umm. So it's just got you really thinking about what would happen if you out of work for a longer period of time, is that right? Yeah, of course not. Understandable. Well, what I'll do is I'll take you through some more information about how the income protection cover works. We'll go through umm, pricing. We've got some duty based questions as well. Umm, as I take you through it all, if you do have any questions along the way, you just let me know.

[2 minutes][Customer] : Yeah, perfect. Thank you very much.

[2 minutes 17 seconds][Agent] : OK, no worries. So the income protection policy that we offer, it's there to make sure you've got some protection if you were unable to work due to a disabling sickness or injury and you would have suffered a loss of income. Now we offer the income benefit of up to 70% of your monthly pre tax income. So it could be anywhere between \$1000 up to \$15,000 and there are going to be some health and lifestyle questions we would need to take you through. Very easy to apply for, but it's to see if you're going to be approved and if so, on what terms.

[2 minutes 52 seconds][Customer] : None.

[2 minutes 52 seconds][Agent] : You can actually also cover. Now, once this policy is in place, it will cover you up until your policy anniversary following your 65th birthday. And also keep in mind that there are some exclusions, umm, that apply as outlined in the PDS. Now any questions before we go through the duty based assessment?

[3 minutes 14 seconds][Customer] : Not that I can think of at the moment.

[3 minutes 16 seconds][Agent] : Perfect. All right. Now keep in mind before answering any of our questions, it is important that you are aware of your duty to answer all our questions accurately and honestly. Failure to do so could impact your coverage claims time. OK, now can I confirm? Do you work 15 hours or more per week? Perfect. Is your role of an administrative, managerial or professional nature where you spend the majority of your time indoors in an office or clinical

environment?

[3 minutes 35 seconds][Customer] : More than 15 hours go away, no.

[3 minutes 49 seconds][Agent] : Do you perform heavy physical duties, use heavy machinery or drive a vehicle?

[3 minutes 55 seconds][Customer] : Yes.

[3 minutes 56 seconds][Agent] : And are you qualified skilled or semi skilled or hold the required licenses to perform your role? All right, umm, and then I would like so I think it cut out there. Was it a yes or no to that one? Sorry, perfect. Uh, do you work in any of the following fields? Aviation is a pilot or crew, entertainment or sporting industry, Air Force, army, armed forces. Would you handle explosives? Perfect. Uh, so you know that one. Beautiful. And do you regularly work underground or underwater, work at heights above 10 meters, work off shore, carry a firearm or drive a long haul?

[4 minutes 40 seconds][Customer] : No.

[4 minutes 41 seconds][Agent] : Beautiful. Alright, and can I also confirm, have you had a cigarette in the last 12 months? Yep. Are you currently employed or self-employed?

[4 minutes 47 seconds][Customer] : Yes, Boyd.

[4 minutes 53 seconds][Agent] : Beautiful. Now your pre tax income is the total annual remuneration paid to you by your employer before tax. This is excluding super contributions including salary and regular commissions or bonuses. Can I ask what is your annual pre tax income?

[5 minutes 11 seconds][Customer] : Per year or per Fortnite?

[5 minutes 12 seconds][Agent] : Yep, per year.

[5 minutes 20 seconds][Customer] : Roughly I think it's about 48.

[5 minutes 23 seconds][Agent] : Yeah, but what amount did you want me to pop in? Perfect?

[5 minutes 22 seconds][Customer] : It's 50,000 working 48,000 just in case.

[5 minutes 31 seconds][Agent] : Yeah, that's fine. All right, so the next one here is based on your duties and your income, you can select the benefit amount ranging from \$1000 up to \$2800. What amount would you like me to quote you on?

[5 minutes 46 seconds][Customer] : Can you put through 1900 please?

[5 minutes 49 seconds][Agent] : Perfect? I can do that all right now the next section is for you to nominate your waiting period and your benefit. Starting off with your waiting period. This is the non payment period that you must wait before the income benefit is payable after the insured event. So you can choose a 30 days or 90 days. Please keep in mind that the income benefit is paid monthly in arrears. This means that if you choose a 30 day waiting period, your first payment would be 60 days after you were first eligible with a claim. So which waiting period would you like me to quote you on?

[6 minutes 22 seconds][Customer] : Go the 30 days please.

[6 minutes 20 seconds][Agent] : 30 days or 90 days, perfect. The next is your benefit. So this is the maximum amount of time that we're going to pay the income benefit for anyone injury or illness. You have six months, one year, two years or five years as an option. Which one did you want me to quote you on 1st?

[6 minutes 39 seconds][Customer] : Can you quote me on two years please?

[6 minutes 40 seconds][Agent] : I can do that. So so far we have our \$1900 each monthly benefit amount, 30 day waiting period, 2 year benefit. It is a full nightly premium of \$33.35. Again, that's fortnightly. How is that sounding so far for you?

[6 minutes 57 seconds][Customer] : Sounds pretty good. Thank you very much.

[6 minutes 58 seconds][Agent] : Perfect, right, We'll leave it at that. I will also let you know that this policy is going to include a rehabilitation benefit that's already included in the price as well as a final expenses benefit that benefit their pays \$10,000 in the event that you would have passed away can help with things like funeral costs.

[7 minutes 16 seconds][Customer] : Thank you.

[7 minutes 14 seconds][Agent] : OK, wonderful. Now keep in mind this premium is stepped which means it will in generally increase each year if you age as an indication that if you make no changes to your policy, your premium next year would be \$33.35 per fortnight. So there's generally going to stay the same the following year would be \$34. OK, Now I will also let you know you can find information about our premium structure on our website. Next step here, Duncan, is just to note

down your address. What is your post code?
