[1 minutes 16 seconds][Agent] : I'm saying so. So, So is that still like did you want the cover through your super fund or is it outside of super?

[1 minutes 22 seconds][Customer] : No, no, no, no, there was. Currently it's through the Superfund, but my we've got a self managed Superfund so I can't, can't do life insurance from the Superfund anymore.

[1 minutes 30 seconds][Agent] : OK. So were you looking to get something with through yourself managed Super fund?

[1 minutes 37 seconds][Customer] : Can I Right. OK.

[1 minutes 38 seconds][Agent] : Yes, yes, yes, because we do have, yes, we do have a couple of life insurance products and there is one that can be set up through your SMSF.

[1 minutes 49 seconds][Customer] : OK.

[1 minutes 49 seconds][Agent] : Yeah OK, thanks Sir. So I'm applying very easy. Everything's done over the phone as well. So we take you through a set of health and also lifestyle questions.

[1 minutes 49 seconds][Customer] : Well, I'd be interested to understand that.

[1 minutes 59 seconds][Agent] : That's to see if you are accepted for the cover. No further medicals or blood tests involved. Umm. So if you are accepted and once you decide to commence your policy, you'll be covered immediately for death due to any cause.

[2 minutes 4 seconds][Customer] : OK, OK.

[2 minutes 12 seconds][Agent] : So full protection. What can provide you from day one? Umm, the only thing not covered is suicide in the 1st 13 months.

[2 minutes 19 seconds][Customer] : Yeah, understandable.

[2 minutes 20 seconds][Agent] : Yep.

[2 minutes 20 seconds][Customer] : Yep.

[2 minutes 21 seconds][Agent] : Umm, for your level of insurance item, umm, based of your age with us at time of application, you can apply anywhere from \$100,000 and it goes all the way up to just loading up the mic. I'm loading that up here now, OK? Yep.

[2 minutes 53 seconds][Customer] : OK.

[2 minutes 49 seconds][Agent] : So maximum benefit for yourself, that is \$1 million because I, I, yeah, I did notice you put through \$750,000 on your web inquiry.

[2 minutes 58 seconds][Customer] : Yep.

[2 minutes 57 seconds][Agent] : So that was for the family life cover. So that, umm, that life insurance is organized for your personal bank account. And where is the life cover for SMSF? Uh,

the range is a little bit more for yourself.

[3 minutes 9 seconds][Customer] : California, can we get actually can we quote that at maybe 715 in a million and just have a look at the differences? Yeah, absolutely.

[3 minutes 9 seconds][Agent] : So of course, yeah, yeah, I'll show you both. Umm, have you had a cigarette in the last 12 months?

[3 minutes 16 seconds][Customer] : Yeah, No, no, I don't smoke at all. Never have.

[3 minutes 21 seconds][Agent] : Thank you. Good health you lifestyle choice by the way. So to Yep for the \$1,000,000, if you're accepted with no further changes, it's 14653 per fortnight.

[3 minutes 31 seconds][Customer] : I'm 4650 square Fortnite.

[3 minutes 32 seconds][Agent] : Yep, and for \$750,000 that'll come down to 1/09/90 per fortnight.

[3 minutes 33 seconds][Customer] : OK, OK. Yeah.

[3 minutes 42 seconds][Agent] : Yeah, you can, you can basically you can start off anywhere that you're comfortable with and you know what you're happy to manage at the time, Umm, if your circumstances change afterwards, uh, you can apply to reassess the policy as well so you can read.

[3 minutes 53 seconds][Customer] : No, no, look, I'll be happy, happy enough with the with the money. That's fine. Yeah.

[3 minutes 57 seconds][Agent] : Thank you. Yeah, and I'll confirm these premium you would again, the other ones would go through the assessment that also check in its ability on the terms conditions. Umm, questions are pretty straightforward. They're mostly yeses or no answers. OK. Yeah. And in addition to the cover, there is a terminally ill advanced payments benefit in the plan. So if you were diagnosed with 24 months or less to live by two medical practitioners, we will pay you what you're claiming full. So Yep, that's a full policy that you can apply the claim on and the money could be used towards either medical expenses or if you want me to set up your family first, that's up to you as well.

[4 minutes 8 seconds][Customer] : OK, OK, OK, excellent.

[4 minutes 33 seconds][Agent] : OK, thank you. And how the premiums work on the cover, uh, please be aware that they are, they are stepped, which means that we generally increase age as

you age.

[4 minutes 41 seconds][Customer] : You can understandable.

[4 minutes 43 seconds][Agent] : In addition, there is a, uh, in addition, this policy has an automatic indexation, which means that each year you'll benefit amount that'll increase by 3% with associated increases in premium. You can also opt out of this automatic indexation each year as well.

[4 minutes 42 seconds][Customer] : Yep, it's OK, right, right. OK.

[5 minutes 2 seconds][Agent] : Yep, Yep. Did you have a question to ask?

[5 minutes 6 seconds][Customer] : No, no, that's fine. OK.

[5 minutes 7 seconds][Agent] : Uh, thank you. Yep. So each year on your policy anniversary and also base of your age, uh, the amount you cover for and those of your premiums that both go up slightly, umm, I'll be able to show you an indication as well. So if you make no changes to the policy, your premium next year will be 16746 per fortnight and the benefit amount that'll increase to \$1,030,000.

[5 minutes 30 seconds][Customer] : OK.

[5 minutes 30 seconds][Agent] : Yeah.

[5 minutes 31 seconds][Customer] : A lot.

[5 minutes 31 seconds][Agent] : And if you, yeah. And if you choose to opt out of it, which you can each year just before your anniversary date, that'll keep the same level of insurance for you into the following year. And that'll also help slow down your premium increases for that year as well. Yeah.

[5 minutes 43 seconds][Customer] : OK, good.

[5 minutes 44 seconds][Agent] : So this to show the difference roughly for you umm, as an indication, if you are opting out of the automatic indication next year your premium will be 16258 per fortnight and benefit amount remains the same at \$1,000,000.

[5 minutes 59 seconds][Customer] : Yeah. Look, I think for where I'm in, like a million, that would be fine. I don't think I need it, actually. So I'd be happy I've popped out of it. Yeah.

[6 minutes 3 seconds][Agent] : Yep, like with the Oh yeah, of course.

[6 minutes 7 seconds][Customer] : Yeah. Oh, that's fine. Do you know if you need to turn that now or

not? No, that's cool. All good.

[6 minutes 6 seconds][Agent] : So, so, so when, umm, so a time when you can opt out of it, then you can umm, Yep, Oh yeah, yeah, yeah. So, so each year you'll receive your renewal letter.

[6 minutes 15 seconds][Customer] : Yep.

[6 minutes 14 seconds][Agent] : So that'll, that'll, that'll be posted out to you usually 30 days before the anniversary date itself. And that's appeared where you can use just to call in if you are either reassessing or changing anything. You can apply to opt out of invitation. You can apply to prove your whole, prove your whole policy or planning changes. So that's where, where you can do it each year. Umm, and you can also find information about our premium structure on our website though as well if need be. Thank you, Sir. [16 minutes 9 seconds][Agent] : Yeah, yes. Yep. So I'm Yep.

[16 minutes 10 seconds][Customer] : Yeah, yeah, yeah.

[17 minutes 47 seconds][Agent] : OK, thank you there. So in, so if that was the case, if the, if, if it doesn't fit, uh, if the event or condition or what might have happened at the time doesn't fit the question accurately, we'll capture it into another question further down. That way I can actually ask you additional follow up questions and then we'll be able to send it off to our underwriters. They'll be able to assess it and come back with a policy offering.

[18 minutes 9 seconds][Customer] : Yeah, sure.

[18 minutes 9 seconds][Agent] : So yeah, so we'll, we'll capture all that, umm, into another section. So apart from that, with this question here, go back to it. Stroke, chest, same palpitations or heart conditions such as but not limited to heart attack and angina or high blood pressure.

[18 minutes 26 seconds][Customer] : That's a no.

[18 minutes 24 seconds][Agent] : Would that be a yes or a no thanks?

[18 minutes 28 seconds][Customer] : Yeah, it's got the the chest pain that we talked about.

[18 minutes 30 seconds][Agent] : Yep, that's Yep. So we'll cap the chest pain into another area. Yep, thank you.

Asthma or other respiratory disorder excluding childhood asthma.

[18 minutes 56 seconds][Customer] : No, no, no, no, no, no, no, no.

[19 minutes 37 seconds][Agent] : Thank you. So we did answer no to most of the medical issues on this page except for disclosure of the BCC. Is that right?

[19 minutes 46 seconds][Customer] : That's great.

[19 minutes 46 seconds][Agent] : Thanks, Sir. Yeah. And the next question, this is where we can capture the event that happened back in 2022.

[19 minutes 53 seconds][Customer] : Yep.

[19 minutes 52 seconds][Agent] : So that question reads other than what you have already told me

about in the past three years, have you sought medical advice or treatment by a medical practitioner or specialist or are you awaiting results for any medical tests or investigations such as but not limited to any surgeries, X-rays scans, blood tests or biopsy? OK, thank you. So apart from that, the the chest pain event, was there anything else?

[20 minutes 15 seconds][Customer] : Yes, yeah. I've had AI had a hip replacement early this year.

[20 minutes 23 seconds][Agent] : OK, thank you. And was that only two disclosures in this question?

[20 minutes 27 seconds][Customer] : Yeah, that's great.

[20 minutes 28 seconds][Agent] : OK, thank you. So Yep, so we'll go through one at a time. So what Commission required the medical examination or advice we can put the the first one which is the hip replacement. So a client had a hip replacement. OK, Yep. And I'll ask, so the first additional question to that coming up. Yep. So we've got the reason. Yep. So please describe the reason for the consultation including symptoms and diagnosis. [21 minutes 31 seconds][Customer] : Yep, absolutely.

[21 minutes 33 seconds][Agent] : OK. Yeah, surgery was Yep. Surgery was a success. Yep. Anything else to add or double it?

[21 minutes 46 seconds][Customer] : To that, no, the other, the other thing I've had to done is I had

a cataract replacement on my eyes.

[21 minutes 51 seconds][Agent] : OK. Yep. So that will Yep. So that will be the third disclosure as well.

[21 minutes 54 seconds][Customer] : Yep.

[21 minutes 54 seconds][Agent] : So, so would the the hip replacement is any further investigation or treatment planned? If so, when?

[22 minutes 2 seconds][Customer] : No.

[22 minutes 2 seconds][Agent] : Yep. So no further investigations.

[22 minutes 8 seconds][Customer] : Well, I've got a 12 months check in, but it's not, it's just a check in after 12 months.

[22 minutes 12 seconds][Agent] : In the invest, Yep Yep. So no further investigations.

[22 minutes 14 seconds][Customer] : Yeah, yeah, no.

[22 minutes 16 seconds][Agent] : Umm client is umm into the his final stages of physio.

[22 minutes 22 seconds][Customer] : Yep.

[22 minutes 39 seconds][Agent] : Yep, Yep, Yep, uh, in 2025 that we uh, thank you and please advise if a full recovery has been made. What would you say that that one for your hip?

[22 minutes 49 seconds][Customer] : I would say yes, Yeah, absolutely.

[22 minutes 51 seconds][Agent] : Thank you, thank you so much for that. Good to hear. So that's one down. Then the umm, the second Yep. So the second, uh, disclosure was the, umm, the chest pain event.

[29 minutes 58 seconds][Customer] : Yep.

[29 minutes 58 seconds][Agent] : Yep, thank you. And that brings us to our next question. Is any further invest? Is any further investigation or treatment planned? If so, when?

[30 minutes 13 seconds][Customer] : Yeah, well, I've got a, I've got a talk monthly check in with him. So he just like just a check in, but so it'll be November.

[31 minutes 4 seconds][Agent] : Thank you. Yeah, thank you. Anything else to add or take out there?

[31 minutes 10 seconds][Customer] : No, that's good.

[31 minutes 10 seconds][Agent] : Thank you and please advise if a full recovery has been made. Thank you. Good to hear as well. And the third disclosure you mentioned it was, uh, you had a cataract. Umm, Yep.

[31 minutes 23 seconds][Agent] : OK, so that was there. We are Yep. So we could put it.

[31 minutes 28 seconds][Customer] : Yep.

[31 minutes 26 seconds][Agent] : So we have a catch a catch list here there and there is cataracts on the list as well there. So we put that under that. All right, so there's three disclosures there. And so that was the hip replacement, the event where with the Cover Act name and the cataracts and that was it.

[31 minutes 43 seconds][Customer] : That's great. Yep.

[31 minutes 44 seconds][Agent] : Thanks Sir. So we can move on to a new question renewing to the end 1234. More questions left. So other than what you have already told me about, are you contemplating seeking medical advice for any symptoms you are currently experiencing within the next two weeks?

[32 minutes 1 seconds][Customer] : No.

[32 minutes 1 seconds][Agent] : Thank you. The next two questions are family history. So to the best of your knowledge, have any of your immediate family, living or deceased, ever been diagnosed with

polycystic kidney disease, Huntington's disease or familial adenomatous polyposis?

[32 minutes 18 seconds][Customer] : No.

[32 minutes 19 seconds][Agent] : And to the best of your knowledge, have any of your immediate family suffered from cancer, heart condition, stroke or other hereditary disease prior to age 60?

[32 minutes 30 seconds][Customer] : Yes.

[32 minutes 32 seconds][Agent] : I'm sorry to hear that, Sir. And what age did it happen to the best of your knowledge?

[32 minutes 30 seconds][Customer] : My father had Heart Tension 657.

[32 minutes 39 seconds][Agent] : OK, so it happened just before he was sixty.

[32 minutes 41 seconds][Customer] : Yep.

[32 minutes 42 seconds][Agent] : Yeah. That's all.

[32 minutes 45 seconds][Customer] : Yep.

[32 minutes 42 seconds][Agent] : OK, so we can answer a yes for that question, and then we'll break down each condition for us again. So how many of your immediate family suffered from cancer before the age of 60? Zero. Yep. Thank you.

[32 minutes 52 seconds][Customer] : No, No 0, 01.

[32 minutes 55 seconds][Agent] : And how many of your immediate family suffered from heart condition and or stroke before the age of 61? Thank, thank you. That was father with the heart Commission in his, uh, late 50s.

[33 minutes 6 seconds][Customer] : That's great.

[33 minutes 7 seconds][Agent] : Thank you. And uh, the last part, how many of your immediate families suffer from other retail disease before the age of 60?

[33 minutes 16 seconds][Customer] : None that I know of.

[33 minutes 17 seconds][Agent] : Yep.

[33 minutes 19 seconds][Customer] : Yep.

[33 minutes 17 seconds][Agent] : So 0 again, thank you. And final question, hazardous pursuit other than one of the events, so gift certificate slash vouchers that you engage in or intend to engage in

any of the following aviation other than as a fair paying passenger on a recognized airline, motor racing, parachuting, mountaineering, upsailing, scuba diving deeper than 40 meters, cave or break diving or any other hazardous activity. Sounds fun, doesn't it? I was only kidding.

[33 minutes 46 seconds][Customer] : No, no, it doesn't actually.

[33 minutes 52 seconds][Agent] : Sounds fun, but no thanks.

[33 minutes 53 seconds][Customer] : Yeah.

[33 minutes 54 seconds][Agent] : So we've completed the health and lifestyle assessment there. Thank you for going through everything today with me. So all these questions is how we, uh, assess the policy with no further medicals or blood tests involved. They are based on the time of application as well. So I'm pulling up your results now. This is, we put it through for \$1 million on the sum insured and I do need to advise that the premium it has risen to \$219.80 per fortnight.

[34 minutes 27 seconds][Customer] : Yeah, OK, Understood.

[34 minutes 21 seconds][Agent] : The reason behind the uh premium increases Sir, it was really your current BMI, your height and your weight ratio yeah uh, but it, it still ha, it hasn't changed anything on the terms conditions as well in the policy. So, umm, if you are happy to leave the benefit as it is, I can send off to the underwriters basing off these figures the result otherwise I can also adjust that back to an alternative sum insured for you.

[34 minutes 48 seconds][Customer] : No, leave it at that. That's fine.

[34 minutes 45 seconds][Agent] : So what would you like me to do OK, thank you. The result? Yeah. And in reference to your health and lifestyle answers, your application needs to be referred to the underwriter for assessment. They generally take half a day or sometimes mostly a day to get back with an outcome. It is still fairly early in the morning, so I'm confident that I'll be back for them by today. That's why I'll give you a call back myself to provide you with the, with the policy offering. I can still see no other changes to what we went through together. So you can still, uh, it's, you can still be covered, uh, for the full insurance. Uh, that's for death due to any cause except for suicide in the 1st 13 months. OK. Umm, if there's any other changes to what we spoke about today that I want to hear back from other writers, I do have to speak to you first before anything was final. OK, thank

you.

[35 minutes 24 seconds][Customer] : OK, OK, great.

[35 minutes 33 seconds][Agent] : Yep, yeah, that's all. So with what we can note down now is your preferred account through your SMSF, umm, there, there would be basically an account number. There's no payments that you are required to make straight away. I think you can actually choose a future date to start it. So this will give you time between to, umm, get the policy offering, umm, from the underwriters. That's when I'll give you a call, Uh, if it is in place from the assessment, all the policy documents and paper will be sent out to you. That'll come to your e-mail address and also another copy gets posted out to you in writing. The end. The, uh, the policy also gives you a 30 day cooling off. Starting from your first payment that you choose yourself as well. Yep. So, yeah. So there's no, there's no payments that you are required to make right away. You can actually choose any date between now over the next 30 days.

[36 minutes 14 seconds][Customer] : OK, OK.

[36 minutes 21 seconds][Agent] : So we give you that. Yep, Yep. Thank you. So, uh, for, for a preferred a, a, a day, this, uh, what date would you choose?

[36 minutes 29 seconds][Customer] : We've just said the 15th. That's fine.

[36 minutes 31 seconds][Agent] : Yeah, yeah. So you mean today the 14th to 15th as in tomorrow? OK. So the 15th of August 2024, it will be every fortnight on Thursday onwards, of course. And yeah, I will get back to you before that happens anyway. So with the account details, is that a savings or a check account?

[36 minutes 36 seconds][Customer] : Yep, Yep, that's the savings.

[36 minutes 50 seconds][Agent] : Thank you. And would that be the account name? What would that be listed under as?

[37 minutes 1 seconds][Customer] : I'm pretty sure that's in one freedom account. In one freedom fund.

[37 minutes 4 seconds][Agent] : Yep. So all in capitals as well.

[37 minutes 7 seconds][Customer] : Yep.

[37 minutes 8 seconds][Agent] : Yep. England Freedom.

[37 minutes 11 seconds][Customer] : Fun.

[37 minutes 11 seconds][Agent] : Yep. That's it. OK, thank you. And when you're ready, I'll start with the BSP. Yep. Yep, yes, Yep.

[37 minutes 13 seconds][Customer] : Yep, Yep, 112, 879457383961.

[37 minutes 29 seconds][Agent] : Thank you so much for that. So we've got a savings account through Saint George and the branch number is 112879, account number is 457383961.

[37 minutes 41 seconds][Customer] : Sorry, can I I had changed friends. Can you can you re re read that? Apologies.

[37 minutes 41 seconds][Agent] : And the account name of course, of course. So branch number 112879 and then account number is 457383961.

[37 minutes 47 seconds][Customer] : Yep, Yep, Yep, that's correct.

[37 minutes 55 seconds][Agent] : Thank you, Sir. And the account name is England Freeman. Sorry, England Freedom Fund 3 words.

[38 minutes 2 seconds][Customer] : That's correct.

[38 minutes 2 seconds][Agent] : Thank you, Sir. So can I confirm that you have authorization but to use this account for your life insurance policy for your SMSF?

[38 minutes 2 seconds][Customer] : Yep, yes.

[38 minutes 46 seconds][Customer] : Yes, that's fine.

[38 minutes 46 seconds][Agent] : Beautiful. Thank you. And of course, if there's any other changes, then I'll speak to you beforehand before anything was fine. So, yeah, thank you.
