

[3 seconds][Agent] : Can't be that.

[10 seconds][Customer] : I'm still speaking.

[12 seconds][Agent] : Hi Angela, it's Tim calling from Real Insurance. How you doing today?

[15 seconds][Customer] : Good. How are you?

[17 seconds][Agent] : I'm very well. Thanks for asking the reason for my call. I can see that you're just on our website a moment ago there looking into the live coverage. So I'm calling to take you through the information in regards to that and also answer any questions you might have. I'll just confirm it's Angela, uh, Wolfridge that I'm speaking with.

[27 seconds][Customer] : OK Yep, Yep, that's it.

[36 seconds][Agent] : Date of birth, 11th of the 4th 72 and just confirming you're a female Australian person.

[40 seconds][Customer] : Yep, Yep that's right.

[45 seconds][Agent] : Perfect. Uh, just Please note that calls are recorded and any advice we provide general in nature and may not be suitable for your situation. Umm, Angela, what's, uh, sparked the interest? I'm looking to the last of which today. Yep.

[59 seconds][Customer] : I have been thinking about it lately and I was literally just going through my Gmail, you know, the promotion section where it gets things then. And I'm like, I'll just have a look into that.

[1 minutes 13 seconds][Agent] : OK. What made you stop thinking about it? And they said you can think about it lately.

[1 minutes 18 seconds][Customer] : I don't really know. I just, yeah, it's just sort of, yeah, I don't know.

[1 minutes 27 seconds][Agent] : OK, Yeah, fair enough.

[1 minutes 26 seconds][Customer] : It's just, I suppose, getting a bit older and, you know, facing, facing the fact that you're not going to be around forever.

[1 minutes 34 seconds][Agent] : Fair enough. Is this your first time looking into something like this?

[1 minutes 38 seconds][Customer] : I think so. I'm, I'm trying to think back when our kids were

younger. I think my husband and I did have life insurance, but the way that it was set up, it was like the premium just went up. Ridiculous. And now I think we were told there were a couple of ways. Well, we found this out after. Is there a couple of ways whether the premiums were set or I don't know what the other alternative was, but yeah, our premiums just went up ridiculous. And sort of as we got older, obviously our kids got older too.

[1 minutes 44 seconds][Agent] : Yep, OK, uh, OK, Yep, Yep.

[2 minutes 16 seconds][Customer] : So like adults now.

[2 minutes 20 seconds][Agent] : Didn't mean it's not covered kind of thing.

[2 minutes 19 seconds][Customer] : So it as much now my husband and I together in more.

[2 minutes 23 seconds][Agent] : Yep, Yep.

[2 minutes 26 seconds][Customer] : So it's kind of like, yeah, I'd just like to think that yeah, if something happened to me.

[2 minutes 35 seconds][Agent] : You just want to leave a bit of money behind. Yeah, that's fair enough.

[2 minutes 37 seconds][Customer] : Yeah, yeah, yeah.

[2 minutes 40 seconds][Agent] : OK, well, look what I'll do. I'll explain to you how all all of it works. We can run through the pricing and if you've got any questions for me, just stop me. OK, I'll let you know. Firstly, Angela, it is very simple in how life coverage works. So at the end of the day, it's designed to provide financial protection for your loved ones in the event that Touchwood something was happening to yourself. Yeah. The way that we do that is through a lump sum payment of between \$100,000 up to \$750,000, depending on your personal needs. But with the coverage as well, it does also include a terminally ill advanced payment, which means if you were diagnosed with a terminal illness with 12 months or less to live by a registered medical practitioner, we'll pay out the claim in full in that situation so you can get the best medical care or anything else you might need as well. There's also a funeral component built in. So because funerals do tend to be the most medium expense in your loved ones, in the event that something was to happen, we actually do a \$10,000 advance tout to cover those costs, generally paid out within 24 to 48 hours of the claim being made.

So it's really designed to give your loved ones immediate access to that money there to handle any immediate final expense as well.

[3 minutes 13 seconds][Customer] : Yeah, OK, Yeah, Yeah, OK, cool.

[3 minutes 59 seconds][Agent] : The cover's not a guaranteed acceptance. Not everyone is eligible for it. Now, we don't expect you to go through any medical checks or blood tests. Instead, we just take you through a series of simple yes and no health and lifestyle questions over the phone. And then if you are accepted and once you decide to commence the policy, you'll be covered immediately for death due to any cause. The only thing not covered is suicide in the 1st 13 months.

[4 minutes 23 seconds][Customer] : OK.

[4 minutes 24 seconds][Agent] : Now we'll run through the pricing here. Can I just ask firstly, uh, have you had a cigarette in the last 12 months and how much you're looking to cover yourself for, do you think, Angela?

[4 minutes 23 seconds][Customer] : Yeah, no, I think I've put on there the website 250,000.

[4 minutes 33 seconds][Agent] : No problem, I'll start there. We can look at a few different amounts as well if you'd like. I'm looking at \$250,000 life coverage now. That'll include the \$250,000 terminal illness and the 10,000 female advance, so that you're looking at a fortnightly premium of \$32.72.

[5 minutes 1 seconds][Customer] : OK.

[5 minutes 2 seconds][Agent] : That is where you do get a 10% refund after the first year. Hold the policy as well.

[5 minutes 7 seconds][Customer] : Oh yeah. Yeah.

[5 minutes 6 seconds][Agent] : That's like a little thank you that we do, but that's for OK.

[5 minutes 10 seconds][Customer] : Covered with wheel insurance for my car and we got that, I think.

[5 minutes 17 seconds][Agent] : So that'll be done through. Yeah, that's probably done through our general insurance department.

[5 minutes 15 seconds][Customer] : Yeah, yeah. That's all.

[5 minutes 21 seconds][Agent] : Uh, I don't handle car insurance, but, uh, umm, but yeah, that'll be

for 250,000. Angela, how's that sound to yourself? Did you want to look at any other amounts?

[5 minutes 31 seconds][Customer] : Pretty happy with that. I don't want to give them too much, you know?

[5 minutes 38 seconds][Agent] : Look, the, the most important thing is going to be seeing whether you're eligible for it. So what I'll do, I'll take you through those health questions and we can see if you're eligible for the cover.

[5 minutes 43 seconds][Customer] : Yeah, yeah.

[5 minutes 47 seconds][Agent] : Before I do that did you have any questions for me so far?

[5 minutes 50 seconds][Customer] : No, that's all good.

[5 minutes 51 seconds][Agent] : No problem, I'm just going to read you a pre underwriting disclosure. This just frames up how to answer the questions so just read. Please be aware all calls are recorded for quality and monitoring purposes. We collect your personal information to provide insurance quotes issue covering other related services. [12 minutes 4 seconds][Customer] : Yeah, yeah, yeah, it's around for a while.

[12 minutes 8 seconds][Agent] : Everything else is fine, but it just, I, I can't seem to get rid of it.

[12 minutes 28 seconds][Customer] : And if I if I skip 1 tablet, then I'm like, Nah, I'm not doing that because yeah, so I'll just, I feel like I'm just going to be honest the rest of my life because it's not worth, it's not worth trying to come off of it.

[12 minutes 43 seconds][Agent] : No problem.

[12 minutes 43 seconds][Customer] : But that would be the only. Do you know what I mean? Like if I'm trying, that's the only time I feel anxious.

[12 minutes 47 seconds][Agent] : Yeah, Yeah, no problem.

[12 minutes 52 seconds][Customer] : Yeah.

[14 minutes 13 seconds][Agent] : Yeah.

[14 minutes 13 seconds][Customer] : And now I'm post menopause. So I don't. So I don't. Yeah.

[14 minutes 17 seconds][Agent] : Yeah, fair enough. Yeah. So you don't have anemia anymore?

[15 minutes 13 seconds][Customer] : No, I had to have a surgery beginning of last year.

[15 minutes 38 seconds][Agent] : Yeah.

[15 minutes 38 seconds][Customer] : It's been embarrassing. So yeah. So I basically had a a cyst. Yeah, in my in my lady class.

[15 minutes 53 seconds][Agent] : OK, Yeah, no, that's fine. We'll capture that in an earlier question because there was an earlier question that I asked about CIS. I'll go back and I'll put it in there. So I shouldn't need any more details other than whether the CIS was benign or not, but I'll just take you through these drop down questions.

[16 minutes 2 seconds][Customer] : Yeah, yeah.

[16 minutes 7 seconds][Agent] : So firstly, any melanomas, any other form of skin cancer in the sunspots with the CIS? Has the molar system confirmed benign, so non cancerous?

[16 minutes 9 seconds][Customer] : No, no, that's correct. Yep.

[16 minutes 20 seconds][Agent] : Do you have a current lesion that requires follow up treatment or removal as recommended by your doctor?

And then other than what you've already told me about, are you contemplating seeking medical advice for any symptoms you are currently experiencing within the next two weeks?

[16 minutes 30 seconds][Customer] : No, no, no, no.

[16 minutes 49 seconds][Agent] : Just three questions together next to our family history. So it's a medium family only. So just brother, sister, mother, father. Let's just start. To the best of your

knowledge, have any of your immediate family, living or deceased, ever been diagnosed with polycystic kidney disease, Huntington's disease, or familial adenomatous polyposis? And to the best of your knowledge, have any of your medium family suffered from cancer, heart condition, stroke or other hereditary disease prior to the age of 60? And just one last question here for you. So just other than one of events, gift certificates or vouchers, do you engage in or intend to engage in any of the following? So aviation other than as a fair paying passion on a recognized airline, motor racing, parachuting, mount steering, AB sailing, scuba diving deeper than 40 meters, cable wreck diving or any other hazardous activity.

[17 minutes 8 seconds][Customer] : No, no, no.

[17 minutes 40 seconds][Agent] : Perfect. That's the last question there. So get this sent off. It should just take a moment to come back. I'm just Washington, we are waiting for to come back. I'll let you know. The policy does include an automatic indexation. Basically what that means is the level of cover goes up by 5% each year and there's an increase in premium based on that. However, you can opt out of those increases each year if you want to keep at the same level of cover. So just please be aware that your premium is step, which means would generally increase each year as you age. In addition, this policy has an automatic indexation which means each year sum insured will increase by 5% with associated increase in premium. You can opt out of this automatic indexation each year as an indication if you keep it at the same level of cover and make no change. So next year premium would be \$36.56. You can also find information about our premium structure on our website.

[18 minutes 29 seconds][Customer] : OK. Thank you.

[18 minutes 28 seconds][Agent] : OK, perfect. Now give me one second is like a place you on hold just one moment just while I double check everything.

[18 minutes 34 seconds][Customer] : Yeah, thanks.

[18 minutes 35 seconds][Agent] : Thanks so much, Angela. Thanks so much for holding there, Angela. Sorry that took so long. I'm just going to ask some follow up questions in regards they need me because I'm going to capture them in a different question in a different section here because

obviously when we're going through those drop downs there, it's, it's more asking about like car anemia. Obviously, there's not really any risk of you getting anything here again, given that you've, uh, no longer have heavy menstrual flood.

[20 minutes 32 seconds][Customer] : That's OK, Yeah, Yeah, OK.

[20 minutes 52 seconds][Agent] : Umm, So I'll capture it in a different on section, umm, and refer it off to our underwriter to reassess it.

[20 minutes 59 seconds][Customer] : Yeah.

[20 minutes 59 seconds][Agent] : So give me one moment. So just give me one second. So I'm just gonna add some notes for that full question and we'll put it in a later on section. How long ago was it that you actually had the iron deficiency in any of the last time?

[21 minutes 17 seconds][Customer] : About two years ago.

[21 minutes 19 seconds][Agent] : No problem. No problem. And you haven't had a hysterectomy, but you are menopausal and obviously no longer get your, uh.

[21 minutes 41 seconds][Customer] : OK, Yep, Yep.

[21 minutes 48 seconds][Agent] : Yeah, no problem. Umm, just give me one second. So two years ago, umm, and at the time you got an iron infusion.

[22 minutes 30 seconds][Customer] : Yeah.

[22 minutes 59 seconds][Agent] : And since you've been menopausal, you've no longer had any any of any anemia?

[23 minutes 4 seconds][Customer] : That's correct. Yep.

[23 minutes 5 seconds][Agent] : No problem. Just give me one second. Do you see any treatment or anything for menopause?

[23 minutes 21 seconds][Customer] : I'm on HRT now.

[23 minutes 22 seconds][Agent] : HRT. Perfect.

[23 minutes 23 seconds][Customer] : Yeah.

[23 minutes 25 seconds][Agent] : That's what I was actually gonna say, just couldn't remember the name of it.

[23 minutes 29 seconds][Customer] : You started it yesterday.

[23 minutes 27 seconds][Agent] : HRT, yeah, no. Oh, wow, OK, very recent. No problem.

[23 minutes 35 seconds][Customer] : Sorry.

[23 minutes 35 seconds][Agent] : Umm, so I'll just confirm. So it's the, uh, menopausal, umm, and it's limited to HRT medication only.

[23 minutes 40 seconds][Customer] : Yeah, that's it.

[23 minutes 41 seconds][Agent] : Perfect. Umm. OK. Just give me one second. When was your most recent like blood test done for your eye?

[24 minutes 23 seconds][Customer] : In July, probably. I think I had some just about four or five months ago.

[24 minutes 19 seconds][Agent] : Yeah, no problem.

[24 minutes 34 seconds][Customer] : Yeah, yeah.

[24 minutes 33 seconds][Agent] : I'll put four to five months and they showed buying levels were normal.

[24 minutes 42 seconds][Customer] : Yep.

[25 minutes 3 seconds][Agent] : In regards to the eye deficient anemia or is there any further investigational treatment planned?

[25 minutes 8 seconds][Customer] : Why?

[25 minutes 9 seconds][Agent] : And please advise us before recovery has been made. Let's see.

[25 minutes 14 seconds][Customer] : Sorry, can I get that wrong?

[25 minutes 15 seconds][Agent] : Please advise us before recovery has been made. So that's a yes. Yeah, everything's returned to normal now.

[25 minutes 19 seconds][Customer] : Yes.

[25 minutes 20 seconds][Agent] : Perfect. Right. Give me one second. Perfect. All right, so we get this sent off there. It should just take a moment.

[26 minutes 3 seconds][Customer] : Thank you.

[26 minutes 2 seconds][Agent] : Just give me one moment. That's correct. So I'll let you know what

we do for you if this does come back fully approved. What we normally do is we organize to have all the policy documents sent out for you today so you can sit down, go through it all and make sure it's going to be the right fit for yourself. Get an e-mail copy of the documents within the next hour and a post copy within two to five business days. Now we'll cover you while you're looking through the documents, but you're not required to make any payment statements that what we do is that you select a payment day in the future you're comfortable and happy with and then you get a 30 day cooling off. Starting from that day just in case there's a change of mind after you receive the documents.

[26 minutes 59 seconds][Customer] : Yeah, sure, that's correct.

[26 minutes 58 seconds][Agent] : OK, I'll double check the e-mail address youputdownhereitsangela.wolfridge72@gmail.com and I'll grab your postal address. What's your post code, Angela? What site is it? And just the street number name there?

[27 minutes 12 seconds][Customer] : The post code is 6171 a bell diamond Menock. Sorry 35 menock.

[27 minutes 27 seconds][Agent] : Yep, perfect. And that's your home address as well as your postal address in your best country. I'm leaving if it's just 0414828151.

[27 minutes 24 seconds][Customer] : It's ME double N OK, K, That's right, yes.

[27 minutes 39 seconds][Agent] : Perfect. Now this has come back here just in regards to the anxiety. The premium has risen, so let me know if this still works for yourself. If not, we can look at a different amount, but for the \$250,000 live coverage, which would include the 250,000 term illness and the 10,000 funeral advance, you're looking at fortnightly \$49.07. Do you think that it's the work for yourself?

[28 minutes 8 seconds][Customer] : Yes, Yep.

[28 minutes 11 seconds][Agent] : Yeah, it does also need to be referred off to the underwriter for assessment. Just because I manually typed in the stuff due to the, the, the, the iron deficiency. Basically what's happening is when we'll capturing them, that blood disorder question. It was, it was providing another increase in premium, but based on what you had said, how you would no longer

risk of it because going through menopause, I wanna have that reassess. So I'm gonna send it off to them. And that's why I've manually typed out what you've told me. Umm, because obviously, you know, if you're no longer risk of the condition, I don't really see why they're applying the risk to the policy there.

[28 minutes 33 seconds][Customer] : Yeah, yeah, yeah. Thank you.

[28 minutes 46 seconds][Agent] : Umm, so I'm gonna get that reassessed for you. Umm, the prices we follow is still exactly the same. So as I said, so we don't collect any payment state. All we do is we nominate a preferred payment method and let you select the payment day in the future you're comfortable and happy with. Generally the underwriter takes a couple of hours to get back to us and just while your application is being assessed, you'll be covered for accident to death which pays out if death was you direct resolved an accident cover under this loss until the insurer makes decision on the application of 30 days from day, whichever is earlier.
